Dear Mr Mullighan

APPLICATION UNDER THE *FREEDOM OF INFORMATION ACT 1991*

I refer to your application made under the *Freedom of Information Act 1991* (FOI Act), dated 17 July 2019.

Your application seeks access to:

"A current index of all briefs held on the Objective document management system (a) Received by the Treasurer's Office; (b) Requested by the Treasurer's Office; (c) Generated by the Treasurer's Office; and (d) Returned to the Department after consideration by the Treasurer or Treasurer's Office staff, between 23 February 2019 and 17 July 2019."

Determination under review

The legislative prescribed timeframe to determine this application has expired and is now deemed to have refused you access to all documents relevant to your application.

A total of 1 document was identified as answering the terms of your application and I have determined as follows:

A number of briefings are also internal working documents (clause 9(1)(a)(i)) so specific information has been redacted as these documents were prepared internally and contain opinion, advice or recommendations which were considered for the purpose of decision making relating to the functions of Government. On balance, it is not in the public interest to disclose the content of these documents as it is important for the agency to receive frank and comprehensive advice and opinions, including the expression of views which may be contentious.

Personal information relating to sensitive matters relating to payments and settlement issues, involving members of the general public have been redacted pursuant to clause 6(1).

There are also a number of confidential briefings which are subject to legal privilege and the disclosure of which would constitute an offence. This information has been redacted pursuant to clause 10(1) and clause 12(1).
