Dear Mr Cowdrey

APPLICATION UNDER THE *FREEDOM OF INFORMATION ACT 1991*

I refer to your application made under the *Freedom of Information Act 1991* (the Act), dated 7 October 2022.

Your application seeks access to:

"Screenshots of the Treasurer's official ministerial diary and/or other register of appointments from Wednesday 1 June 2022 to Wednesday 31 August 2022."

A determination on your initial application was not made within the 30-day time period required by the FOI Act. Accordingly, the Office of the Treasurer was deemed to have refused access in full to all documents relevant to your application. However, I have determined to process the request as if the statutory timeframe had been met.

One document was identified within the scope of your request and I have determined to release this document in part.

I wish to advise that only entries which relate to the Treasurer's ministerial functions fall within scope of this request. Entries which relate to the Treasurer's functions as a Member of Parliament do not fall within scope of your request as a Member of Parliament is not an 'agency' within the meaning the Act, accordingly, these entries have been removed as 'Out of Scope'.

The document contains entries such as reminders, appointments and events which are non-work related. As such, I consider it unreasonable to disclose information relating to the personal affairs of the Treasurer and third parties. I have therefore determined to exempt this information pursuant to clause 6 (1) of Schedule 1 of the Act.

In addition, the document contains information concerning the business and professional affairs of any other person. External businesses would expect a level of confidentiality regarding names of employees when meeting with the State Government. The name of the business remains within business meeting entries, however, the names of employees, when not a public figure are exempt. I have therefore determined to exempt this information pursuant to clause 7 of Schedule 1 of the Act.

Exemptions

Clause 6 – Documents affecting personal affairs

- (1) A document is an exempt document if it contains matter the disclosure of which would involve the unreasonable disclosure of information concerning the personal affairs of any person (living or dead).

Clause 7 – Documents affecting business affairs concerning

(1) *A document is an exempt document—*

(c) *if it contains matter—*

- (i) *consisting of information (other than trade secrets or information referred to in paragraph (b)) concerning the business, professional, commercial or financial affairs of any agency or any other person; and*
- (ii) *the disclosure of which—*
 - (A) *could reasonably be expected to have an adverse effect on those affairs or to prejudice the future supply of such information to the Government or to an agency; and*
 - (B) *would, on balance, be contrary to the public interest.*

(2) *An agency must not give access under this Act to a document to which this section applies (except to the person concerned) unless the agency has taken such steps as are reasonably practicable to obtain the views of the person concerned as to whether or not the document is an exempt document by virtue of clause 7 of Schedule 1.*

FOI Disclosure Log

Please note, in compliance with Premier and Cabinet Circular PC045 - Disclosure Logs for Non-Personal Information Released through Freedom of Information (PC045), the Department of Treasury and Finance is now required to publish a log of all non-personal information released under the Act.

In accordance with this Circular, any non-personal information determined for release as part of this application, may be published on the DTF website. A copy of PC045 can be found at the following address: <https://dpc.sa.gov.au/resources-and-publications/premier-and-cabinet-circulars>. Please visit the website for further information.

Right to Review

If you are unhappy with this determination you are entitled to apply for an internal review in accordance with section 29 of the FOI Act. To make an internal review application, please either write a letter or send Application for Review of Determination form to the Principal Officer, the Treasurer, Hon. Stephen Mullighan MP, within 30 (calendar) days after you receive this letter.

If you have any queries regarding this matter, please contact the Office of the Treasurer on (08) 8226 1866.

Yours sincerely

Elicea Tomlinson
