Dear Mr Cowdrey

### **APPLICATION UNDER THE *FREEDOM OF INFORMATION ACT 1991***

I refer to your application made under the *Freedom of Information Act 1991* (the Act), dated 22 May 2023 and your Internal Review application received on 5 July 2023.

Your application seeks access to:

*“A copy of all documents (including but not limited to hard copy or electronic briefings, minutes, reports, emails, letters (including draft versions), meeting agendas, diary entries and any other correspondence) in relation to the Member for King. From 21 March 2022 to 22 May 2023.”*

### **Determination under review**

My office did not make a determination on your initial application within the 30-day time period required by the Act. Accordingly, my office was deemed to have refused access in full to all documents relevant to your application.

### **Outcome of internal review**

Under section 29(3) of the Act, on an application for internal review, as Principal Officer I may confirm, vary or reverse the determination under review.

I am varying the original determination of a deemed refusal.

An extensive search was conducted within this office, with a total of 26 documents found that fall within scope of your application.

I grant you access in full to 15 documents copies of which are enclosed.  
I grant you access in part to 11 documents; copies of which are enclosed.

## **Released in Part**

I have granted partial access to documents 2, 3, 4, 6, 7 and 9 under clause 6(1) of Schedule 1 of the Act.

### ***Clause 6 – Documents affecting personal affairs***

*(1) A document is an exempt document if it contains matter the disclosure of which would involve the unreasonable disclosure of information concerning the personal affairs of any person (living or dead).*

Disclosure of personal information in documents 2, 3, 4, 6, 7 and 9 would be unreasonable as the information was provided in confidence to the Member for King by her constituents. As no indication has been made that your application for access to these documents was made on behalf of the Member for King's constituents, I have determined to exempt this information pursuant to clause 6(1).

I have granted partial access to documents 8-13 under clause 12(1) Schedule 1 of the Act.

### ***Clause 12 – Secrecy Provisions***

*(1) A document is an exempt document if it contains matter the disclosure of which would constitute an offence against an Act.*

Documents 8-13 are correspondence between my office and the Member for King, and minutes from the Department of Treasury and Finance, in relation to a constituent's queries relating to the Emergency Services Levy. Clause 12(1) states that a document is exempt from release if 'it contains matter the disclosure of which would constitute an offence against an Act'. Section 22I of the *Emergency Services Funding Act 1998* (ESL Act) provides that relevant persons may not disclose information obtained under or in administration or enforcement of this Division unless permitted.

Section 22K of the ESL Act considers permitted disclosures, such as information of a general nature. Whilst Documents 8-13 contain some general advice, it may be viewed that a taxpayer should be able to reasonably expect that correspondence with the Government concerning their specific tax affairs would not be disclosed publicly without their consent. Further, Section 22J of the ESL Act prevents the release of taxpayer information unless the consent of the persons to whom the information relates, or at the request of a person acting on behalf of the persons to whom the information relates, is obtained pursuant to section 22K of the ESL Act. As no indication has been made that your application for access to these documents was made on behalf of the taxpayer, it would be an offence under the ESL Act to release this information.

I therefore determine this information exempt pursuant to clause 12(1).

Please note, in compliance with Premier and Cabinet Circular PC045 - *Disclosure Logs for Non-Personal Information Released through Freedom of Information* (PC045), the Department of Treasury and Finance (DTF) is now required to publish a log of all non-personal information released under the Act.

In accordance with this Circular, any non-personal information determined for release as part of this application may be published on the DTF website. A copy of PC045 can be found at the following address: <https://dpc.sa.gov.au/resources-and-publications/premier-and-cabinet-circulars>. Please visit the website for further information.

If you are unhappy with this determination, you are entitled to exercise your rights of external review with the Ombudsman SA. Alternatively, you can apply to the South Australian Civil and Administrative Tribunal (SACAT). If you wish to seek a review, you must do so within 30 calendar days of receiving this internal review determination.

For more information about seeking a review, please contact the Ombudsman SA on telephone (08) 8226 8699 or SACAT on 1800 723 767.

Yours sincerely

Dear Mrs Pearce

Thank you for your letter dated 29 August 2022, on behalf of your constituents.

# Clause 6(1)

As part of its 2022 election campaign, the Malinauskas Labor Government announced it will work with HomeStart Finance (HomeStart), a State Government organisation, to develop a low deposit home loan that will only require a three per cent deposit.

HomeStart offers a range of low deposit loans to assist people buying a home sooner. Further information about HomeStart and its products can be found at: <http://www.homestart.com.au>.

One of HomeStart's products is an interest-free deposit gap loan (Starter Loan) of up to \$10,000 for low income earners to help cover some of the upfront costs of buying a home. The Starter Loan may be available for eligible home purchases to singles with a net household income of less than \$65,000 and couples with a net household income of less than \$90,000.

In early August, HomeStart announced the minimum deposit requirement for the Graduate Loan was dropped to 2 per cent, which is available to South Australian residents with a Certificate III, IV, Diploma, Bachelor degree or higher qualification.

I am also aware that the recently elected Commonwealth Labor Government has committed to the introduction of a shared equity scheme, under which the Commonwealth will share the purchase cost and ownership of properties with eligible buyers. Additional information regarding this commitment is available at: <https://www.alp.org.au/policies/helping-more-australians-into-home-ownership>.

The Malinauskas Labor Government will continue to monitor the housing market to determine whether additional policy changes may be required, with further relief for first home buyer being heavily considered.

I trust this information will assist you in responding to **Clause 6(1)**

Dear Ms Pearce

**RESOURCING FOR MEMBERS OF THE HOUSE OF ASSEMBLY**

I am writing in relation to a number of recently approved changes to House of Assembly Members electorate office resourcing.

**Global Allowance**

The Governor, in Executive Council, has approved an increase to the base Global Allowance allocations for 2022-23 of \$4,956.

As a result, your 2022-23 base allocation is now \$67,894.26. This will be reflected on your next monthly statement.

Carry-over funds from 2021-22 have been included as part of the Treasury and Finance carry-over submission to Cabinet. You will be notified as soon as this has been determined.

In addition, amendments have been made to the *Global Allowance Guidance Notes*, specifically the exclusion list on pages 1 and 2, to explicitly refer to flowers, hire of promotional/entertainment services as well as to provide further clarification in relation to donations, and also a definition of gifts and promotional material.

A copy of the updated *Global Allowance Guidance Notes* is attached. Please ensure that both you and your staff are aware of the new excluded items.

**Furniture and Equipment Allocation**

An additional allocation of \$5,000 each parliamentary term has also been introduced for the purchase of electorate office furniture and equipment items. This funding will alleviate the burden on the Global Allowance to cover this type of expenditure.
