

2021-22 South Australian Indigenous Expenditure Report

The Report fulfils the South Australian Government's commitment under Clause 113 of the National Agreement on Closing the Gap: *"to review and identify current spending on Aboriginal and Torres Strait Islander programs and services to identify reprioritisation opportunities to Aboriginal and Torres Strait Islander organisations, particularly to community-controlled organisations"*.

During the data collection process, 2021-22 expenditure made by government agencies was identified, categorised and estimated as follows:

TYPE 1:
Targeted (Aboriginal) expenditure

TYPE 2:
Non-targeted expenditure (user clear)

TYPE 3:
Non-targeted expenditure (user not clear)

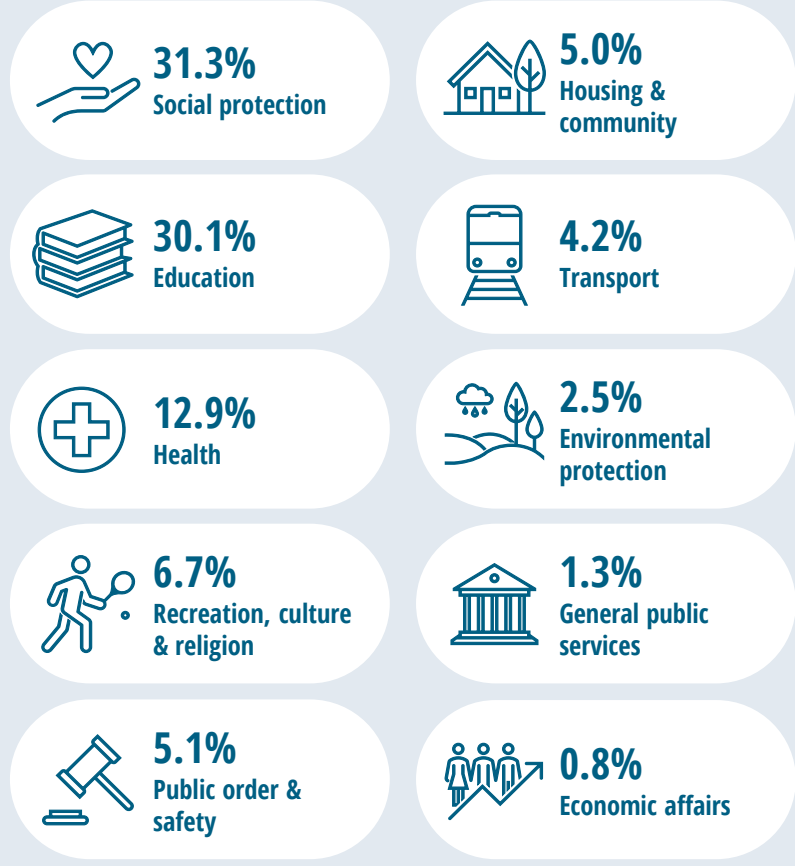

The Report estimates that in 2021-22, the total South Australian Government expenditure on Aboriginal and Torres Strait Islander programs and services was

\$1.3 billion

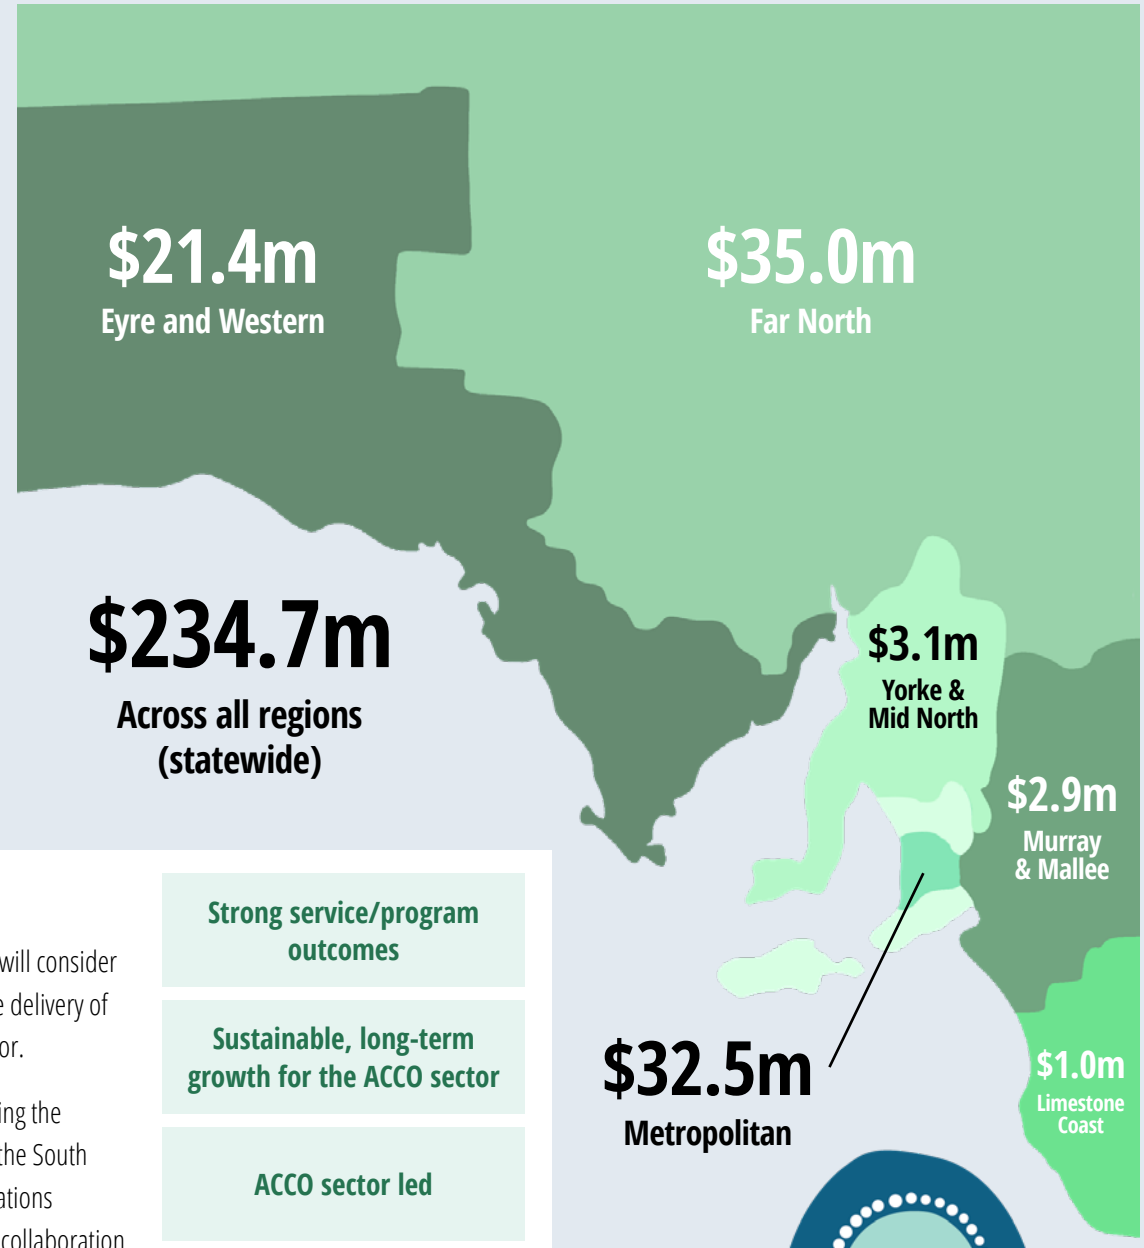

\$331.4 million Targeted expenditure

\$976.2 million Non-targeted expenditure

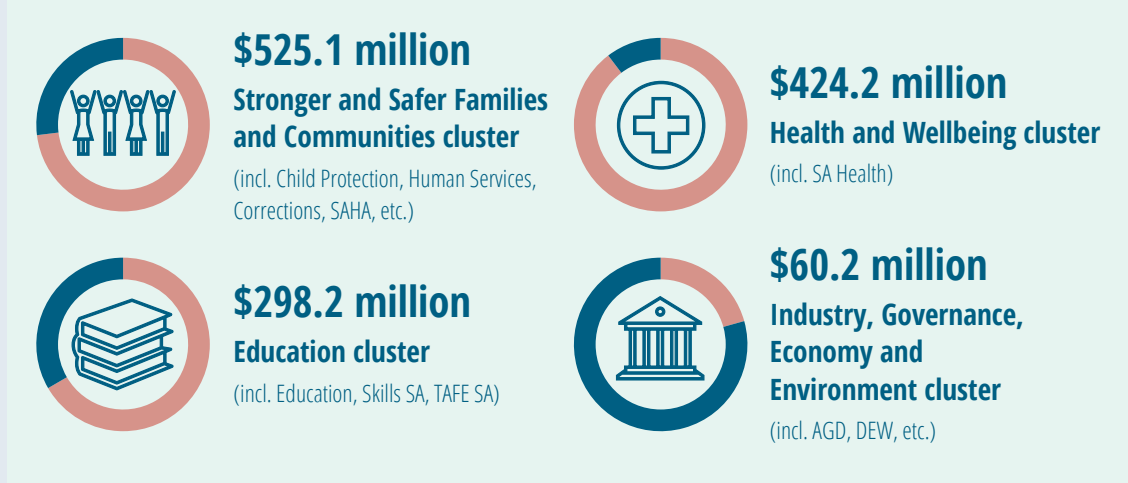

Targeted Aboriginal expenditure by Classification of the Functions of Government - Australia (COFOG-A) categories

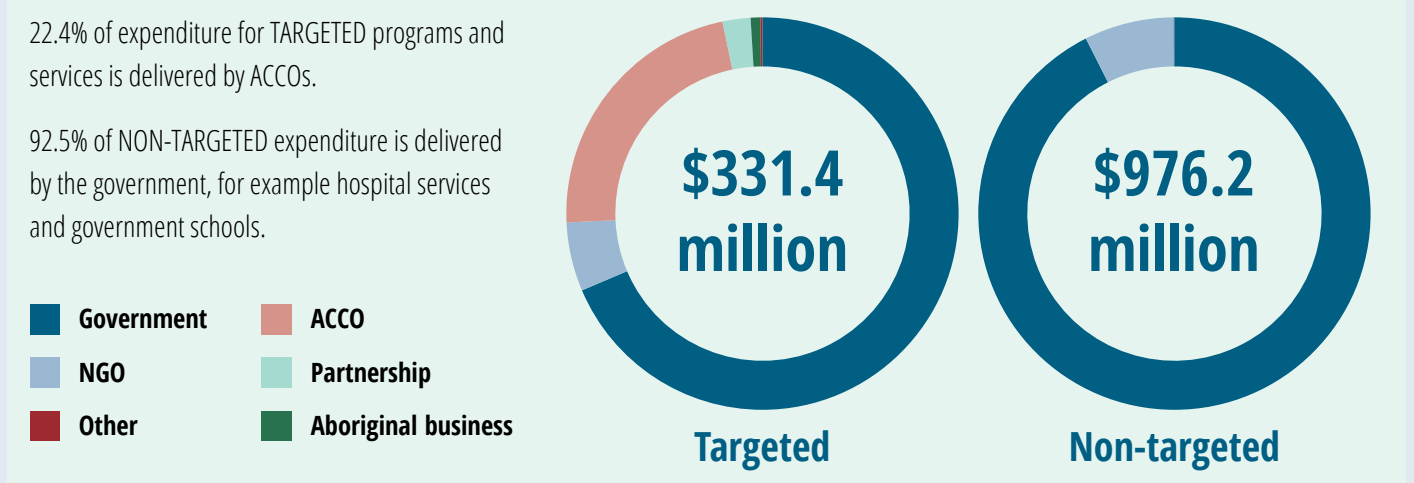

Targeted Aboriginal expenditure by region

Total Aboriginal expenditure by agency clusters

Total Aboriginal expenditure by statewide service provider type

Next steps

The Report is the first step in a broader process that will consider prioritisation of new and existing expenditure for the delivery of services by the Aboriginal community-controlled sector.

The South Australian Partnership Agreement on Closing the Gap commits the South Australian Government and the South Australian Aboriginal Community Controlled Organisations Network (SAACCON) to shared decision-making and collaboration as fully informed equal partners, acting in good faith.

The process will be developed in partnership, and will focus on:

- Strong service/program outcomes
- Sustainable, long-term growth for the ACCO sector
- ACCO sector led
- Open engagement & partnership
