- 3.3.5.2 The salary payable to an employee as at the applicable date shall not be reduced by reason of a salary schedule in this Agreement.
- 3.3.5.3 This clause applies to a 'pegged employee'. A 'pegged employee' is an employee who is in receipt of a wage rate which has been pegged at a rate above that which is generally payable in relation to the employee's job classification or position.
 - 3.3.5.3.1 A pegged employee will not be entitled to any percentage or other increase in wage rate by reason of this Agreement, unless the increase to the substantive rate of pay for an employee's job classification, or position, brings that rate up to an amount higher than the pegged rate. In that event, the increase payable will be the difference between the new substantive rate and the pegged rate.
 - 3.3.5.3.2 Once the rate of pay for a pegged employee's job classification equals or exceeds the employee's pegged rate, the employee will, for all purposes, be regarded as not being subject to a pegged rate of pay.

3.3.6. Incremental Progression

- 3.3.6.1 An employee will progress to the next increment on the anniversary of their commencement, as currently occurs unless, in the course of implementing AFCT's Performance Development Review process (however described), the employee is assessed either as not performing at a satisfactory level (ie the work being performed or produced is not commensurate with the level, quality and timeliness required from the duties (or position)); or as not meeting performance standards. For the purposes of this clause, this assessment is referred to as 'the initial assessment'.
- 3.3.6.2 An employee will be entitled to at least three calendar months prior notice (written or email) of the initial assessment as per clause 3.3.6.1 and may, within one month, request either a reassessment or a review of the assessment, which is to be concluded by not later than one month prior to their expected increment date.
 - a) If upon a reassessment or review the employee is assessed either as performing at a satisfactory level or as meeting performance standards, the employee will not be impeded from progressing to the next increment level.
- 3.3.6.3 If pursuant to this clause an employee does not progress to the next increment level, the employee will work with the relevant department manager with the object of improving their performance to at least a satisfactory level during the ensuing six months after the initial assessment (and thereafter as may be applicable).

- 3.3.6.4 During the six months after the initial assessment, an employee may, at not less than three monthly intervals, request to be reassessed.
- 3.3.6.5 If, during six months after the initial assessment, an employee is assessed as:
- a) Performing at a satisfactory level or as meeting performance standards, the employee will progress to the next incremental level at the six calendar month anniversary after what would otherwise have been their expected incremental date; or
 - b) Not performing at a satisfactory level or as not meeting performance standards, the employee will not progress to the next increment level.
- 3.3.6.6 If, more than six months after the initial assessment, an employee is assessed as:
- a) Performing at a satisfactory level or as meeting performance standards, the employee will progress to the next incremental level at the twelve month anniversary after what would otherwise have been their expected incremental date; or
 - b) Not performing at a satisfactory level or as not meeting performance standards, the employee will not progress to the next increment level.
- 3.3.6.7 An employee who does not progress to the next increment level consequent on an assessment during the first twelve months after what would otherwise have been their expected incremental date, may request a reassessment at not less than six monthly intervals. If assessed as performing at a satisfactory level or as meeting performance standards, the employee will progress to the next incremental level at the subsequent applicable anniversary of what would otherwise have been their incremental date in that year, otherwise the employee will not progress.
- 3.3.6.8 In this clause 'performance standards' means achieving performance targets or work output applicable to the employee; behaviour in accordance with the Code of Ethics for the South Australian Public Sector; actively participating in AFCT's Performance Development Review process and applying learning and development.

3.4. VOLUNTARY FLEXIBLE WORKING ARRANGEMENTS (VFWA)

- 3.4.1. AFCT acknowledges the mutual benefit to the employee and employer of voluntary flexible working arrangements (VFWA) to balance work and other (including family) commitments.
- 3.4.2. AFCT will promote and improve the awareness of VFWA's in the organisation during the life of this Agreement.
- 3.4.3. The CEO or delegate will consider an employee's request to participate in a VFWA having regard both for the operational needs of the business and the employee's circumstances.
- 3.4.4. In such cases an agreed VFWA may be entered into between AFCT and the employee in place of other provisions within this Agreement. All such arrangements are to be evidenced in writing and will include a commencement and termination date.
- 3.4.5. All VFWAs will be the subject of review by the CEO or delegate on an ongoing basis to ensure that the operational needs of the business and the employee's circumstances are continuing to be met. All such reviews are to be documented, dated and signed by both the CEO or delegate and the employee.
- 3.4.6. Examples of VFWAs that may be entered into include but are not restricted to;

 - Working for 4/5th of a salary and converting the remainder to additional paid leave entitlements;
 - Working from home;
 - Job sharing;
 - Negotiating start and finishing times.
- 3.4.7. VFWA's are not intended for short term rostering conflicts and are designed to improve flexibility on an ongoing basis. Ideally, VFWA's will be utilised for periods greater than 4 weeks.
- 3.4.8. This clause will apply for the period an employee is participating in a VFWA:
- 3.4.8.1 Subject to this clause, the salary or wages payable to an employee, or applicable to the position, where the employee elects to participate in an approved VFWA, will be adjusted to take account of the VFWA.
- 3.4.8.2 Where an employee is participating in a Compressed Weeks type of VFWA, the nominated normal hours for any day will constitute the employee's ordinary hours for the day. Any overtime payments will only be payable where the employee is required to work hours in excess of those ordinary hours on any day or in excess of the total of those ordinary hours in a week.

- 3.4.8.3 Should an employee wish to change their current VFWA, they must submit a written request to their manager, stating the change(s) being requested, why they are requesting the change(s) and the anticipated commencement and termination date of the VFWA.
- 3.4.8.4 The CEO or delegate will consider an employee's request to change the arrangement of their current VFWA having regard both for the operational needs of the business and the employee's circumstances.
- 3.4.8.5 A VFWA may be terminated by agreement or by either party giving the required one month's written notice.
- 3.4.9. Where, on cessation of employment, the employer makes a payment in lieu of notice; or a payment in respect of accrued recreation or long service leave entitlements (instead of transferring leave credits to another Public Sector employer in the event the employee immediately becomes employed by that employer), the payment thereof (or the transferred leave credits) shall have regard to any period/s in which the employee participated in a VFWA and be adjusted accordingly.
- 3.4.10. A VFWA will not disadvantage the employee in relation to the employee's terms and conditions of employment.

3.5. UNIFORMS

- 3.5.1. When deemed necessary by AFCT and in order to comply with Work Health and Safety requirements, AFCT shall provide, and employees will be required to wear, suitable protective clothing and equipment.

- 4.3.2 An employee who is rostered to commence ordinary hours of duty without having had at least ten consecutive hours off duty since the termination of work on the previous day shall be given ten consecutive hours off duty without loss of pay for any rostered working time occurring during such absence.
- 4.3.3 The employee shall be responsible for notifying their manager if;
 - 4.3.3.1 They are rostered for work in another department and / or there is the potential for not having a 10 hour break between shifts, and

- 4.3.4 If an employee is authorised to resume work without having had ten consecutive hours off duty, that employee shall be paid an additional 100% (double time) penalty of their base rate until released from duty for such period and shall then be entitled to be absent until having had such ten consecutive hours off duty without loss of pay for any rostered working time occurring during such absences.
- 4.3.5 A required meal break shall not constitute a break in the work of the employee. Accordingly work done before and after the meal break shall be counted as being continuous.

- A performance exceeding five continuous hours (including dress rehearsals) and where staff are also required pre and post show for show calls, changeovers or bump outs.
- 4.4.8 It is not the intention of the parties that this clause or penalty would detract from providing an employee with a break after five hours work.
- 4.4.9 AFCT recognises there may be opportunities to provide staff with an additional short break (with pay), where practicable, dependent on work commitments.
- 4.4.10 There will be a minimum of 3 clear hours between the completion of the first break and the commencement of the second meal break.
- 4.4.11 Where an employee is rostered for two meal breaks in a shift, one of these breaks shall be 60 minutes duration, the other a minimum of 30 minutes. Where an employee is rostered for a meal break and unforeseen circumstances allow less than the rostered time to be taken, the employee will be paid for that rostered period in addition to the payment for the time actually worked. Any allowances or penalties applying before the rostered break shall also apply to the additional payment.
- 4.4.12 An employee required to work more than 2 continuous hours overtime without notification on any one day shall either be supplied with a meal by the employer or paid a meal allowance for the second or subsequent meal as defined in Schedule 3 of the *SA Public Sector and Local Government Entities Clerks Award*.

All employees will be entitled to long service leave in accordance with the Public Sector Act or its successor legislation.

6.7 JURY LEAVE

6.7.1 Leave for Employees required for Jury Service

- 6.7.1.1 In all cases, whether an employee desires exemption or not, an employee must notify AFCT immediately after a jury call-up notice is received.
- 6.7.1.2 If the employee is ineligible or desires exemption, they must write a letter addressed to the Sherriff requesting an exemption.
- 6.7.1.3 Employees (other than those who are ineligible or obtain an exemption) who attend jury service during ordinary working hours will be granted special leave with pay subject to the following conditions:

6.8 PARENTAL LEAVE

6.8.1 Paid Maternity and Adoptive Leave

- 6.8.1.1 Paid maternity leave, paid adoption leave and paid leave to enable parent-child relationships through surrogacy parenting applies in accordance with this clause. For the purpose of this clause maternity and adoption leave includes a parent taking primary caring responsibility (parent-child relationship) as a consequence of a surrogacy arrangement.
- 6.8.1.2 This clause applies to employees who commence an absence on maternity leave or adoption leave on or after the date of approval by the South Australian Employment Tribunal of this Enterprise Agreement.

- 6.8.1.3 Subject to this clause, an employee, other than a casual employee, who has completed twelve (12) months continuous service immediately prior to the birth of the child, or immediately prior to taking custody of an adopted child (as applicable), is entitled to sixteen (16) weeks paid maternity, adoption or surrogacy leave. Adopted child means a child under 16 years of age.
- 6.8.1.4 An employee who, at the time of commencing such paid maternity or adoption leave, has been employed for not less than five (5) years continuous service (including periods of approved unpaid leave) immediately prior to the birth of the child, or immediately prior to taking custody of an adopted child (as applicable) is entitled to twenty (20) weeks. Adopted child means a child under 16 years of age.
- 6.8.1.5 The following conditions apply to an employee applying for paid maternity leave or paid adoption leave;
- An employee will be entitled to either sixteen (16) or twenty (20) weeks leave (whichever is the appropriate amount), paid at the employee's ordinary rate of pay (excluding allowances, penalties or other additional payments) from the date maternity / adoption leave commences. The paid maternity/adoption leave is not to be extended by public holidays, rostered days off, or any other leave falling within the period of paid leave.
 - The total of paid and unpaid maternity/adoption/surrogacy/parental/special leave is not to exceed one hundred and four (104) calendar weeks in relation to the employee's child.
 - For the purposes of this clause, "child" includes children of a multiple birth / adoption.
- 6.8.1.6 At the time of applying for paid maternity or paid adoption leave, the employee may elect in writing to:
- a) take the paid leave in two (2) periods split into equal proportions during the first twelve (12) months of the commencement of their paid leave; or
 - b) take the paid leave at half pay in which case, notwithstanding any other clause of this Enterprise Agreement, the employee will be entitled, during the period of leave, to be paid at half the ordinary rate of pay (including allowances that are expressed as being payable 'for all purposes' but otherwise excluding allowances, penalties or other additional payments) from the date the maternity/adoption leave commences; or
 - c) a combination of a) and b).
- 6.8.1.7 Part-time employees will have the same entitlements as full-time employees, but paid on a pro-rata basis according to the average fortnightly number of hours worked during the immediately prior twelve (12) months (disregarding any periods of leave)
- 6.8.1.8 During periods of paid or unpaid maternity/adoption leave, sick leave with pay will not be granted for a normal period of absence for confinement. However, any illness arising from the incidence of the pregnancy may be covered by sick leave to the extent available, subject to the usual provisions relating to production of a medical certificate and the medical certificate

indicates that the illness has arisen from the pregnancy.

- 6.8.1.9 Where both prospective parents are employees covered by this Enterprise Agreement, or if the other prospective parent is also an employee of AFCT (i.e. the other prospective parent is not covered by this Enterprise Agreement but is employed by AFCT), the period of paid maternity/adoption leave (as applicable) may be shared by employees, provided that the total period of paid maternity/adoption leave does not exceed the applicable maximum and that the leave is taken in periods of not less than four weeks and has regard to the operational needs of AFCT. Parents who are both employed by AFCT but who are covered by different agreements may only share a period of paid maternity/adoption leave arising under one or other Enterprise Agreement (i.e. it is not intended that an AFCT employee would somehow have access to more than one entitlement to paid maternity/adoption leave with respect to a child/ren).
- 6.8.1.10 The parties acknowledge that the conditions outlined in this clause will operate in addition to the federal parental leave scheme currently in operation.
- 6.8.1.11 In the unfortunate circumstance that pregnancy terminates other than by the birth of a living child and the employee has not commenced maternity leave, the employee will be provided with unpaid leave for the period deemed necessary by a registered medical practitioner.

If an employee has commenced maternity leave the entitlement to maternity leave will be upheld for the period deemed necessary by a registered medical practitioner.

In the above circumstances, employees may access sick, bereavement, annual or long service leave entitlements in lieu of or in addition to unpaid leave.

6.8.2 Transfer to a safe job

- 6.8.2.1 If in the opinion of a legally qualified medical practitioner, illness or risks arising out of the pregnancy or hazards connected with the work assigned to the employee, make it inadvisable for the employee to continue her present work, the employee must, if the CEO, or delegate, considers that it is practicable to do so, be transferred to a safe job at the rate and on the conditions attaching to that job until the commencement of maternity leave.

6.8.3 Return to Work on a Part-time Basis

- 6.8.3.1 Subject to this clause, an employee is entitled to return to work after maternity or adoption leave on a part-time basis, at the employee's substantive level, until the child's second birthday. The days and hours for the part-time arrangement will be as agreed between the CEO (or delegate) and the employee.

- 6.8.3.2 An employee who has returned from maternity/adoption leave on a part-time basis in accordance with clause 6.8.3.1 has the right to request to revert to employment on the employee's pre-maternity/adoption leave basis (whether that was to full-time or otherwise) prior to the expiry of the agreed period of the part-time work arrangement.
- 6.8.3.3 The CEO (or delegate) shall consider the request having regard to the employee's circumstances and may only refuse the request on reasonable operational grounds.
- 6.8.3.4 The following conditions apply to an employee applying to return on a part-time basis:
- The employee will provide such request at least twelve (12) weeks prior to the date on which the employee's maternity or adoption leave is due to expire and will provide to the CEO such information as may reasonably be required, including the proportion of time sought, and the date of the relevant child's second birthday;
 - At least twelve (12) weeks prior to the relevant child's second birthday, the employee will advise the CEO whether the employee will revert to employment on a full-time basis or seeks to continue to be employed on a part-time basis.
- 6.8.3.5 If having returned from maternity/adoption leave to part-time work as agreed in accordance with clause 6.8.3.1, and an employee seeks a further period of paid maternity/adoption leave for a subsequent pregnancy/adoption prior to the relevant child's second birthday, the subsequent period of paid maternity/adoption leave entitlements will be calculated on the employee's pre-initial pregnancy hours (whether that was full-time or otherwise) and substantive level, and not the employee's hours upon their return from the first period of maternity/adoption leave.
- 6.8.3.6 An employee's return to work part-time will be on a non-discriminatory basis so as to operate in the same manner as any other employee returning from a period of leave.

6.8.4 Employees who are breastfeeding

- 6.8.4.1 Employees who are breastfeeding shall be provided with the facilities and support necessary to enable them to combine the continuation of breastfeeding with their employment, unless it can be established it is not practicable to do so.
- 6.8.4.2 AFCT will provide employees a flexible paid time working schedule in order to breastfeed or use alternative arrangements including expressing breast milk or bottle feeding their child.
- 6.8.4.3 AFCT will provide access to an appropriate clean, hygienic and private space to undertake these activities.

- 6.8.4.4 The parties recognise that the needs to each parent and child will vary and the provisions of the facilities and supports arising from clauses 6.9.1 to 6.9.3 will vary according to these needs, as will the duration for the provisions of these facilities and supports.

6.9 PAID PARTNER LEAVE

- 6.9.1 Subject to this clause, an employee (other than a casual employee) is entitled to access up to two (2) calendar weeks (i.e. ten (10) working days) (pro rata for part-time employees) of their accrued sick leave entitlement on the birth or adoption of a child/ren for whom the employee has direct parental care responsibility. The leave will be taken as full working day/s within three (3) months of the birth or adoption of the child/ren.
- 6.9.1.1 It is not intended that this paid partner leave entitlement will detract from any more beneficial entitlement or arrangement applicable within an agency as at the commencement of this clause (i.e. an 'existing arrangement'). An employee can make use of that existing arrangement or the paid partner leave, but not both.
- 6.9.1.2 Except in relation to an existing arrangement; an agency's specific paid partner leave policy; or a requirement of this clause, the administrative arrangements within an agency for taking this leave will generally be as applicable to Family Carer's Leave.

- 6.10.1 For the purposes of this clause, an Aboriginal is a person who identifies as such and is regarded as an Aboriginal person by the Aboriginal Community.
- 6.10.2 For the purposes of this clause NAIDOC Week shall mean the week in which the National Aboriginal day falls as determined by the National Aboriginal and Islander Day Observance Committee (NAIDOC)
- 6.10.3 Ceremonial leave without pay may be granted with the approval of the CEO, or delegate, to an employee of Aboriginal descent for ceremonial purposes connected with the death of a member of the family or for other ceremonial obligations under Aboriginal law. The maximum period of ceremonial leave shall be ten (10) unpaid working days per calendar year. Ceremonial leave granted is in addition to other leave to which an employee is entitled and does not count for days of service for any purpose.
- 6.10.4 During NAIDOC Week, upon application by an Aboriginal or Torres Strait Islander employee, the CEO, or delegate, may approve time off with pay for attendance at official celebrations and activities that occur during that week to a maximum of ten (10) hours per calendar year.

APPENDIX D REDEPLOYMENT, RETRAINING AND REDUNDANCY

Policy Statement

A key strategic goal for AFCT is to build a positive and collaborative culture that attracts and retains the best possible people to bring our mission and objectives to life.

- AFCT employees are high performing and adaptive to the evolving requirements of the organization, the wider public sector and the public.
- As an employer of choice¹, AFCT and the public sector provides opportunities and challenges to employees to adapt and develop; to deliver and serve; and to redeploy and retrain.

Note: work injured employees who are not able to carry out their normal duties as a result of compensable injury and therefore require alternative duties as part of a Rehabilitation and Return to Work Plan are to be given priority consideration ahead of excess employees.

Principles

The parties acknowledge the following principles that outline the core elements proposed for a redeployment, retraining and redundancy Guideline for AFCT.

1. The parties acknowledge that this policy is not intended to cover performance-related matters and/or misconduct. AFCT and the wider SA Public Sector are dynamic workplaces with diversity of skills, capabilities and employees. This policy recognises this diversity and the challenges that the wider economic environment will place on the:
 - a. need for increased flexibility towards changing skills sets;
 - b. the retention of existing skills and capabilities over time; and
 - c. managing service delivery within available resources.
2. AFCT will manage workforce careers, training and redeployment to meet current and future service delivery and capability needs within the organisation and, wherever possible, limit the use of term contract and labour hire staff.
3. AFCT employees will adapt and develop capabilities to meet changing needs and challenges and those who are engaged on an ongoing basis and become displaced as a result of restructuring (“declared excess employees”) will engage in opportunities for retraining and redeployment.
4. Where AFCT undertakes a restructure/reorganisation it will consult with employees/employee associations and actively case-manage an employee declared excess (refer to “responsibilities section”).
5. An employee declared excess will be advised in writing to that effect: provided with access to and considered for vacancies and invited to consider voluntary separation with appropriate payments.
6. Where an employee declared excess has been unsuccessful in obtaining an alternative ongoing position in the SA Public Sector after 12 months (since written advice of being declared excess), they may be separated with a suitable payment.
7. An employee who is placed in an ongoing or term/contract employment of no less than 12 months must be formally advised that they are no longer an excess employee. The 12 month period will include the cumulative effect of extensions in the same funded position.

1 S.5 (5) Public Sector Act 2009

Responsibilities

AFCT will:

- a. Ensure compliance with the relevant sections of the Public Sector Act 2009 and other applicable legislation; and with applicable industrial instruments (enterprise agreements and awards) made under the Fair Work Act 1994 and with relevant Commissioner's determinations or guidelines including:
 - i. Consult with employees and employee associations about significant restructuring/reorganisation that is expected to result in fewer roles/positions.
 - ii. Ensure that the use of term contract and labour hire staff is reduced wherever possible.
 - iii. Ensure available roles and vacancies are promoted/advertised and support employees to be redeployed.
 - iv. Actively case-manage excess employees to effectively assist in any transition to new roles including:
 1. providing access to vacancies and interview/active consideration for a role (which may occur at the same time as the role is being advertised) where an excess employee is identified for/applies for a vacancy and there is a skills and capabilities match;
 2. provide access to retraining support that may be available in accordance with terms and conditions specified from time to time, including arrangements that may apply to particular occupational groups, agencies or restructures; and
 3. adhere to voluntary separation arrangements² and/or release of an employee.
- b. Where an employee has not been able to secure a new role by the end of the 12 month period and has declined consideration of an early voluntary separation package during that time, they may be separated with a suitable payment.
- c. The period for counting towards the 12 months as an excess employee commences at the date of the written advice to the employee that they are declared excess.
- d. When proposing to activate separation of an excess employee at the end of a 12-month period, AFCT must be satisfied that it has met the following requirements:
 - i. has made reasonable endeavours to find, but has failed to find, other suitable duties within the organisation, or other applicable public sector employment to which the employee might be assigned or transferred on conditions that maintain the employee's substantive remuneration level.
 - ii. AFCT may not terminate the employment of an excess employee on any ground unless the agency has:
 1. informed the Commissioner of the grounds on which it is proposed to terminate the employment of the employee and the processes leading up to the proposal to terminate (as set out in this Appendix); and
 2. has considered any advice given by the Commissioner within 14 days about the adequacy of the processes.

² Refer to Treasurer's Budget Statement June 2014

AFCT excess employees

- a. Are responsible for actively adapting and developing their skills including:
 - i. Following receipt of written advice of being declared an excess employee, actively consider and indicate in writing their preferred option: to either work to secure another ongoing role/position i.e. redeployment; seek the applicable case manager's assistance; or seek an invitation for an early separation payment.
 - ii. Co-operating with AFCT and any potential agency to which they may be assigned, participate in re/training opportunities and make every effort to adapt to and undertake the role/s or position/s identified or into which she/he is placed or assigned.
 - iii. Work with a nominated person or external service provider who is allocated to assist with a restructure and/or redeployment, including counselling; skills and capability development; and consideration of opportunities within the public or private sectors.
 - iv. Must accept as quickly as possible and must not refuse assignment or placement into an alternative or another role/position that is a reasonable match with their skills and capabilities (incl. with training)³.
- b. Continue to be subject to processes and requirements (legislative, policy and administrative) applicable to an AFCT and public sector employees.⁴

Application of separation payments

- a. An applicable voluntary separation arrangement must be offered to an excess employee if they haven't been successful in gaining an alternative ongoing position within the first 3 months of being declared excess (date of written notice).
- b. Where an employee declared excess identifies a preference for redeployment/retraining and declines the invitation to express interest in an early separation package in the first 3 months, then the quanta of any future invitation to accept a separation package will be reduced:
 - Redeployment period more than 3 months and up to 6 months – 50% reduction;
 - Redeployment period greater than 6 months and up to 12 months – 75% reduction.

The Chief Executive Officer must notify the union/s, and at the same time the Commissioner for Public Sector Employment, at least three months prior to the employee being due to reach the end of the 12 months of being excess.

Excess employees may be separated with a suitable payment in the event that they are unable to be placed at the end of 12 months.

Where a significant number of employees are to be declared excess then the Commissioner must be advised at the earliest opportunity.

This Appendix is to be read in conjunction with AFCT's *Managing Excess Employees Guideline*.

³ This is intended to be broadly considered: does the person have the skills and capabilities to perform the duties to a substantial extent (including with training). That is, there does not need to be a direct match with all of the requirements of the role/position.

⁴ This includes any review, appeal and/or performance management process/es that may apply to the employee or that may be utilised by AFCT.

- 9.1 In regard to 7.4(a) and 8.4(a), a worker's entitlement to financial support pursuant to this policy does not commence, or if having commenced, ceases, unless the worker is assessed by the employer as:
- (a) having no current work capacity; and
 - (b) likely to continue indefinitely to have no current work capacity;
- Or
- (c) being in employment, and that because of the compensable injury the worker is, and is likely to continue indefinitely to be, incapable of undertaking further or additional employment or work which would increase the worker's current weekly earnings.
- 9.2 A review of the assessment of a worker under 9.1 may be conducted by the employer at any time and must be conducted as often as may be reasonably necessary, being at least once in every 2 years.
- 9.3 An assessment under 9.1 may be conducted before or after the period of financial support provided pursuant to the *Return to Work Act 2014* has been exhausted.
- 9.4 A worker receiving financial support under this policy shall continue to receive such financial support unless or until the employer has assessed whether the worker may be considered as:
- (a) having no current work capacity; and
 - (b) likely to continue indefinitely to have no current work capacity.
- 9.5 The employer must not discontinue the financial support under this policy on the basis of a work capacity assessment until it has given the worker 13 weeks notice in writing of the proposed discontinuance. Such notice must not be given unless and until the assessment referred to herein has been undertaken.
- 9.6 A worker who is, or has been, entitled to financial support under this policy may apply to the employer for a decision that the worker's entitlement to financial support under this policy does not cease.
- 9.7 The employer, upon receipt of an application under 9.6 may decide that the worker's financial support under this policy does not cease as contemplated by 9.1 if the employer is satisfied that the worker is in employment and that because of the work injury, the worker is, and is likely to continue indefinitely to be, incapable of undertaking further or additional employment or work which would increase the worker's current weekly earnings.
- 9.8 The employer:
- (a) must within 90 days of receiving an application under 9.6, make or refuse to make a decision under 9.7 and advise the worker in writing of its decision (unless the employer requires an extension of time because of the operation of paragraph (b)); and
 - (b) must not refuse to make a decision under 9.7 on the ground that the employer is not satisfied under the requirements of that clause unless—
 - i. the employer has referred the medical question whether, because of the injury, the worker is, and is likely to continue indefinitely to be, incapable of undertaking further or additional employment or work, and if not so incapable, what further or additional employment or work the worker is capable of undertaking, for the

opinion of an Independent Medical Adviser ('IMA'); and

- ii. the opinion of the 'IMA' is that the worker is not so incapable and specifies what further or additional employment or work the worker is capable of undertaking.

9.9 If the employer makes a decision under 9.7, the worker is entitled to financial support in accordance with clause 7.4 (for injuries occurring on or after 1 July 2015) or 8.4 (for injuries occurring prior to 1 July 2015).

9.10 The entitlement to financial support under 9.9 continues until—
