2	USA	To meet with US government representatives to improve relationships and capability in areas of strategic interest such as law and order, public transport, privatisation, climate change and other sub-national government initiatives.	<p>The meetings held throughout the trip provided an opportunity to develop a greater understanding of the opportunities and challenges in the areas of law and order, public transport, privatisation and renewable energy.</p> <p>Meetings were held with Members of Congress, Governor's, Lieutenant Governor's, senior government officials, think tanks and justice organisations allowing me to gain insight into key issues facing sub-national governments in the US and responses to issues such as climate change, privatisation, law and order, public transport.</p> <p>Building a deeper understanding of how privatisation has impacted public transport networks were a key issue explored during this visit. Many of our meetings highlighted the lofty claims that private providers make about savings through privatisation, which hardly ever eventuate. Frequently these claims couldn't be farther from the truth. Public agencies are often more efficient because no profit margin gets siphoned off to shareholders. For example, officials cancelled a management contract with First Transit in Wisconsin and the local government authority experienced a cost savings by managing the system in-house. In Savannah, Veolia was dropped after 3 years by Chatham Area Transit (CAT) it was concluded that the private operator was becoming too expensive</p> <p>Experience in the USA is that when privatisation occurs, up-front savings are often coupled with cutbacks, hurting</p>	Attached	\$20,857.52	As attached and per Credit Card Statement

			<p>the most vulnerable users like people with a disability or the elderly. In San Diego, the private contractor promised \$10 million USD in annual savings by taking over the North County Transit District. These savings were made by operating 14,000 fewer service hours while other costs shot up by \$1.4 million USD</p> <p>With significant changes to US federal climate policy, we had the opportunity to meet with State and County officials who are still actively pursuing policies to address climate change. As the US Federal Government softens their approach to climate change, US state and county governments are stepping in. I met with a number of jurisdictions who are part of the U.S. Climate Alliance, a group of states who continue to be committed to taking action to address the climate challenge. The alliance covers 55% of the U.S. population, 40% of U.S. greenhouse gas emissions, and an \$11.7 trillion economy.</p> <p>The visit also provided an opportunity to establish positive relationships with a number of justice related government officials.</p>

**Check In (International)**

For international flights departing from Australia, and domestic sectors of flights departing from international terminals make sure you have checked in by the checkin deadline specified in your airline documentation, or if no deadline is specified, then at least 120 minutes prior to scheduled departure for Economy Class or at least 90 minutes prior to scheduled departure for First or Business Class. Failure to do so may result in cancellation of your reservation.

**Contact Details**

Please provide local phone contact numbers for stopover cities.

**Electronic Tickets**

Photo Identification is required when travelling on an electronic ticket. Failure to ensure the full booking name matches the photo identification may result in cancellation fees and/or loss of reservation.

**No Show / Cancellation Fees**

See the fare conditions above for the relevant rules relating to your airfare.

No show and cancellation fees may apply to hotels and car rental bookings on your itinerary. Generally hotels and car rentals need to be cancelled at least 24 hours prior to checkin, so please notify the relevant service provider if you will not be able to use the booking in order to minimise any fees that may be payable.

**Passenger Security**

What items can I pack in my carry-on baggage?

Some countries have made changes to security measures at airports. If you are travelling in any of these countries, these measures will affect what you can carry on board an aircraft on international flights.

To get the most update to date information and for further information on Liquids, Aerosols and Gels please refer to the Australian government website: <https://www.australia.gov.au/information-and-services/passports-and-travel/customs-and-quarantine>

**Passport**

A valid passport is required for international travel. Immigration authorities may refuse entry if you have less than 6 months validity on your passport.

Ensure the name on this itinerary matches the passport name because if it does not, you may be refused travel. Please advise your travel consultant if you are not travelling on an Australian passport as you may require a reentry visa for Australia.

**QBT Privacy Notice**

QBT collects information about you (including health information where necessary) to provide products and services to you, process your travel arrangements, facilitate your participation in the loyalty programs of airlines, conduct marketing activities and market research.

If the information is not provided, QBT may not be able to provide the service requested. QBT may disclose your personal information to its related companies, carriers, travel service providers, organisations which provide services to QBT, such as collecting commissions, your employer if you are travelling on a ticket provided through your employer's corporate travel arrangements. QBT and carriers may also disclose your personal information to various law enforcement agencies and governments around the world for security, customs and immigration purposes. See QBT's Privacy Statement at [www.qbt.travel](http://www.qbt.travel) You can gain access to the information QBT holds about you by contacting your dedicated Account Manager.

**Reconfirmation**

We suggest that onward reservations and flight times are reconfirmed 72 hours prior to departure as policies differ between airlines and failure to do so may result in the cancellation of your reservation.

**Seating and Meals**

Any seating and meal requests shown on your itinerary are subject to confirmation upon check in.

**Ticketing Policy**

Our QBT business standard is to issue airline tickets 1 business day prior to the airline time limit advised on your itinerary and inside your online booking tool. This is to help ensure there are safeguards to protect for challenges such as when credit cards decline.

When there are instances of multiple tickets and multiple airline ticketing dates, QBT will issue all tickets in accordance with the earliest date shown.

Please note there may be instances where QBT will need to issue your ticket earlier than the recommended date. For example, when airlines request that ticketing occur earlier than the recommended ticketing time limit.

**Travelling to the US**

ESTA Authorities for individual travel to the USA under the Visa Waiver Program.

US Customs have introduced new enhanced security requirements for travellers entering the USA under the visa waiver program. It is mandatory for all individuals who plan to travel to the USA under the Visa Waiver Program to receive an authorisation through the ESTA website before travel to the USA. Applications can be made at any time at the ESTA website. Applicants will be asked to answer basic biographical and eligibility questions typically requested on the current paper form completed on board the flight ( I94W form). The system will advise the applicant whether their travel to the USA is Authorised, Not Authorised or Authorisation pending.

Travellers must now apply for their ESTA at least **72 hours in advance of travel**.

For all guests who have approved ESTA's there will be no change to their check-in. Travellers arriving at the airport for travel to the United States without a previously approved ESTA will likely result in being denied boarding.

For more information visit the US Department of State website. [WWW.esta.cbp.dhs.gov/esta/](http://WWW.esta.cbp.dhs.gov/esta/)

Other points of note:

An application fee applies when applying for an ESTA. Please refer to the US Department of State website.

Even if a traveller has an ESTA they will still be required to complete a paper form I94W and present it to US Customs on arrival into the USA.

Accompanied and unaccompanied children, regardless of age, will be required to obtain an independent ESTA approval.

VWP nationals who have valid visas, and other nationals that require visas, will not be required to apply for an ESTA.

An ESTA is valid for two years (unless the passport data limits validity) and will be considered acceptable for multiple use.

US Customs recommends that ESTA applications be submitted no less than 72 hours before travel.

## Travelling to Canada

ELECTRONIC TRAVEL AUTHORIZATION for flights to Canada

The government of Canada has introduced a new entry requirement, known as an Electronic Travel Authorization (eTA), that applies to visa-exempt foreign nationals travelling to or transiting Canada by air. Visa-exempt foreign nationals must obtain an eTA before they can board a flight to Canada. To complete their application for an eTA, your customers will need a valid passport, a credit card and an email address. An eTA costs \$7 CAD and is valid for up to five years or until the passport expires (whichever comes first).

## Visas / Travel Warnings

Please ensure you have any applicable Visas for the countries you are visiting or transiting. It is your responsibility to obtain correct Visas documentation. Visa information can be obtained from [www.cibtvisas.com.au](http://www.cibtvisas.com.au) or by contacting your travel consultant for information. It is also recommended that you check [www.smarttraveller.gov.au](http://www.smarttraveller.gov.au) for health and consular travel warnings for all destinations.

What items can I pack in my carry-on baggage?

Some countries have made changes to security measures at airports. If you are travelling in any of these countries, these measures will affect what you can carry on board an aircraft on international flights.

To get the most update to date information and for further information on Liquids, Aerosols and Gels please refer to the Australian government website: <https://www.australia.gov.au/information-and-services/passports-and-travel/customs-and-quarantine>

**Passport**

A valid passport is required for international travel. Immigration authorities may refuse entry if you have less than 6 months validity on your passport.

Ensure the name on this itinerary matches the passport name because if it does not, you may be refused travel. Please advise your travel consultant if you are not travelling on an Australian passport as you may require a reentry visa for Australia.

**QBT Privacy Notice**

QBT collects information about you (including health information where necessary) to provide products and services to you, process your travel arrangements, facilitate your participation in the loyalty programs of airlines, conduct marketing activities and market research.

If the information is not provided, QBT may not be able to provide the service requested. QBT may disclose your personal information to its related companies, carriers, travel service providers, organisations which provide services to QBT, such as collecting commissions, your employer if you are travelling on a ticket provided through your employer's corporate travel arrangements. QBT and carriers may also disclose your personal information to various law enforcement agencies and governments around the world for security, customs and immigration purposes. See QBT's Privacy Statement at [www.qbt.travel](http://www.qbt.travel) You can gain access to the information QBT holds about you by contacting your dedicated Account Manager.

**Reconfirmation**

We suggest that onward reservations and flight times are reconfirmed 72 hours prior to departure as policies differ between airlines and failure to do so may result in the cancellation of your reservation.

**Seating and Meals**

Any seating and meal requests shown on your itinerary are subject to confirmation upon check in.

**Ticketing Policy**

Our QBT business standard is to issue airline tickets 1 business day prior to the airline time limit advised on your itinerary and inside your online booking tool. This is to help ensure there are safeguards to protect for challenges such as when credit cards decline.

When there are instances of multiple tickets and multiple airline ticketing dates, QBT will issue all tickets in accordance with the earliest date shown.

Please note there may be instances where QBT will need to issue your ticket earlier than the recommended date. For example, when airlines request that ticketing occur earlier than the recommended ticketing time limit.

**Travelling to the US**

ESTA Authorities for individual travel to the USA under the Visa Waiver Program.

US Customs have introduced new enhanced security requirements for travellers entering the USA under the visa waiver program. It is mandatory for all individuals who plan to travel to the USA under the Visa Waiver Program to receive an authorisation through the ESTA website before travel to the USA. Applications can be made at any time at the ESTA website. Applicants will be asked to answer basic biographical and eligibility questions typically requested on the current paper form completed on board the flight ( I94W form). The system will advise the applicant whether their travel to the USA is Authorised, Not Authorised or Authorisation pending.

Travellers must now apply for their ESTA at least **72 hours in advance of travel**.

For all guests who have approved ESTA's there will be no change to their check-in. Travellers arriving at the airport for travel to the United States without a previously approved ESTA will likely result in being denied boarding.

For more information visit the US Department of State website. [WWW.esta.cbp.dhs.gov/esta/](http://WWW.esta.cbp.dhs.gov/esta/)

Other points of note:

An application fee applies when applying for an ESTA. Please refer to the US Department of State website.

Even if a traveller has an ESTA they will still be required to complete a paper form I94W and present it to US Customs on arrival into the USA.

Accompanied and unaccompanied children, regardless of age, will be required to obtain an independent ESTA approval.

VWP nationals who have valid visas, and other nationals that require visas, will not be required to apply for an ESTA.

An ESTA is valid for two years (unless the passport data limits validity) and will be considered acceptable for multiple use.

US Customs recommends that ESTA applications be submitted no less than 72 hours before travel.

## Travelling to Canada

ELECTRONIC TRAVEL AUTHORIZATION for flights to Canada

The government of Canada has introduced a new entry requirement, known as an Electronic Travel Authorization (eTA), that applies to visa-exempt foreign nationals travelling to or transiting Canada by air. Visa-exempt foreign nationals must obtain an eTA before they can board a flight to Canada. To complete their application for an eTA, your customers will need a valid passport, a credit card and an email address. An eTA costs \$7 CAD and is valid for up to five years or until the passport expires (whichever comes first).

## Visas / Travel Warnings

Please ensure you have any applicable Visas for the countries you are visiting or transiting. It is your responsibility to obtain correct Visas documentation. Visa information can be obtained from [www.cibtvisas.com.au](http://www.cibtvisas.com.au) or by contacting your travel consultant for information.
