APPLICATION UNDER THE FREEDOM OF INFORMATION ACT 1991

I refer to your application made under the *Freedom of Information Act 1991* (the Act), dated 26 October 2023

Your application sought access to:

"Access to the Treasurer's diary for the period outlined below . I only seek access to the diary in a weekly view (I do not seek access to support material that is within the meeting entry). I note that there is little jurisprudence on Minister's diary in SA. I direct the decision maker to the following decisions in the Federal jurisdiction: • Dreyfus and Attorney-General (Commonwealth of Australia) (Freedom of information) [2015] AATA 995 (22 December 2015) - note this was appealed but affirmed in the Full Federal Court • The Australian and Prime Minister of Australia [2016] AICmr 84 (7 December 2016) • Josh Taylor and Minister for Communications and the Arts (Freedom of information) [2017] AICmr 9 (25 January 2017) • Rex Patrick and Minister for Resources and Northern Australia (Freedom of information) [2019] AICmr 13 (25 March 2019) • Rex Patrick and Department of Defence (Freedom of information) [2019] AICmr 19 (15 May 2019). From 10/07/2023 to 25/10/2023 "

One document was identified within the scope of your request and I have determined to release this document in part.

I wish to advise that only entries which relate to Ministerial functions fall within scope of this request. Entries which relate to the Treasurer's functions as a Member of Parliament do not fall within scope of your request, as a Member of Parliament is not an 'agency' within the meaning of the Act. Accordingly, these entries have been removed as 'Out of Scope'.

The document contains entries such as reminders, appointments and events which are non-work related. As such, I consider it unreasonable to disclose information relating to the Treasurer's personal affairs and that of third parties. I have therefore determined to exempt this information pursuant to clause 6 (1) of Schedule 1 of the Act.

The document also contains information concerning the business and professional affairs of any other person. External businesses would expect a level of confidentiality regarding names of employees when meeting with the South Australian Government. The name of the business remains within business meeting entries, however, the names of employees, when not a public figure, are exempt.

I have therefore determined to exempt this information pursuant to clause 7 of Schedule 1 of the Act.

Exemptions

Clause 6 – Documents affecting personal affairs

- (1) *A document is an exempt document if it contains matter the disclosure of which would involve the unreasonable disclosure of information concerning the personal affairs of any person (living or dead).*

Clause 7 – Documents affecting business affairs

- (1) *A document is an exempt document—*

(c) if it contains matter—

- (i) consisting of information (other than trade secrets or information referred to in paragraph (b)) concerning the business, professional, commercial or financial affairs of any agency or any other person; and*
- (ii) the disclosure of which—*
 - (A) could reasonably be expected to have an adverse effect on those affairs or to prejudice the future supply of such information to the Government or to an agency; and*
 - (B) would, on balance, be contrary to the public interest.*

- (2) *An agency must not give access under this Act to a document to which this section applies (except to the person concerned) unless the agency has taken such steps as are reasonably practicable to obtain the views of the person concerned as to whether or not the document is an exempt document by virtue of clause 7 of Schedule 1.*

Please note, in compliance with Premier and Cabinet Circular PC045 - *Disclosure Logs for Non-Personal Information Released through Freedom of Information* (PC045), the Department of Treasury and Finance (DTF) is now required to publish a log of all non-personal information released under the Act.

In accordance with this Circular, any non-personal information determined for release as part of this application may be published on the DTF website. A copy of PC045 can be found at the following address: <https://dpc.sa.gov.au/resources-and-publications/premier-and-cabinet-circulars>. Please visit the website for further information.

If you are unhappy with this determination you are entitled to apply for an internal review in accordance with section 29 of the Act. To make an internal review application, please either write a letter or send Application for Review of Determination form to the Principal Officer, the Hon. Stephen Mullighan MP, Treasurer, within 30 (calendar) days after you receive this letter.

If you have any queries regarding this matter, please contact the Office of the Treasurer on (08) 8226 1866.

Yours sincerely
