Dear Mr Cowdrey

APPLICATION UNDER THE *FREEDOM OF INFORMATION ACT 1991*

I refer to your application made under the *Freedom of Information Act 1991* (the Act), dated 22 May 2023 and your Internal Review application received on 5 July 2023.

Your application seeks access to:

“A copy of all documents (including but not limited to hard copy or electronic briefings, minutes, reports, emails, letters (including draft versions), meeting agendas, diary entries and any other correspondence) in relation to the Member for Waite. From 21 March 2022 to 22 May 2023.”

Determination under review

My office did not make a determination on your initial application within the 30-day time period required by the Act. Accordingly, my office was deemed to have refused access in full to all documents relevant to your application.

Outcome of internal review

Under section 29(3) of the Act, on an application for internal review, as Principal Officer I may confirm, vary or reverse the determination under review.

I am varying the original determination of a deemed refusal.

An extensive search was conducted within this office, with a total of 38 documents found that fall within scope of your application:

- I grant you access in full to 17 documents; copies of which are enclosed.
- I grant you access in part to 20 documents; copies of which are enclosed.
- I refuse you access in full to one document.

Released in Part

I have granted partial access to documents 1-7 and 20-26 under clause 6(1) of Schedule 1 of the Act.

I have granted partial access to documents 24-26 under clause 6(2) of Schedule 1 of the Act.

Clause 6 – Documents affecting personal affairs

(1) A document is an exempt document if it contains matter the disclosure of which would involve the unreasonable disclosure of information concerning the personal affairs of any person (living or dead).

(2) A document is an exempt document if it contains allegations or suggestions of criminal or other improper conduct on the part of a person (living or dead) the truth of which has not been established by judicial process and the disclosure of which would be unreasonable.

Disclosure of personal information in documents 1-7 and 20-26 would be unreasonable as the information was provided in confidence to the Member for Waite by her constituents. As no indication has been made that your application for access to these documents was made on behalf of the Member for Waite's constituents, I have determined to exempt this information pursuant to clause 6(1).

Information in documents 24-26 contain allegations of suggested improper conduct in the Member for Waite's constituent's employment records. As this information has not been scrutinised and established as truth before a judicial process, it would be unreasonable to disclose and I have determined it exempt pursuant to clause 6(2)

Released in Part and Refused in Full

I have granted partial access to documents 10-16 and refused access to document 11 under clause 12(1) Schedule 1 of the Act.

Clause 12 – Secrecy Provisions

(1) A document is an exempt document if it contains matter the disclosure of which would constitute an offence against an Act.

Documents 10-16 are correspondence between my office and the Member for Waite, and minutes from the Department of Treasury and Finance (DTF), in relation to a constituent's queries relating to land tax and the Emergency Services Levy. Clause 12(1) states that a document is exempt from release if 'it contains matter the disclosure of which would constitute an offence against an Act'. Section 80 of the *Taxation Administration Act 1996* (TAA) provides that tax officers may not disclose information obtained under or in relation to a taxation law unless permitted.

Sections 78 and 79 of the TAA consider permitted disclosures, such as information of a general nature. Whilst Document 3-8 contains some general advice, it may be viewed that a taxpayer should be able to reasonably expect that correspondence with the South Australian Government concerning their specific tax affairs would not be disclosed publicly without their consent.

Further, Section 77 of the TAA prevents the release of taxpayer information unless the consent of the persons to whom the information relates, or at the request of a person acting on behalf of the persons to whom the information relates, is obtained pursuant to section 78 of the TAA. As no indication has been made that your application for access to these documents was made on behalf of the taxpayer, it would be an offence under the TAA to release this information.

Further, documents 15 and 16 are also subject to the secrecy provisions of the *Emergency Services Funding Act 1998* (the "ESL Act"). Section 22I of the ESL Act prevents the release of levy payer information unless the consent of the persons to whom the information relates, or at the request of a person acting on behalf of the persons to whom the information relates, is obtained pursuant to section 22J of the ESL Act. As no indication has been made that your application for access to these documents was made on behalf of the taxpayer, it would be an offence under the ESL Act to release this information.

I therefore determine this information exempt pursuant to clause 12(1) of the Act.

Please note, in compliance with Premier and Cabinet Circular PC045 - Disclosure Logs for Non-Personal Information Released *through Freedom of Information* (PC045), DTF is now required to publish a log of all non-personal information released under the Act.

In accordance with this Circular, any non-personal information determined for release as part of this application may be published on the DTF website. A copy of PC045 can be found at the following address: <https://dpc.sa.gov.au/resources-and-publications/premier-and-cabinet-circulars>. Please visit the website for further information.

If you are unhappy with this determination, you are entitled to exercise your rights of external review with the Ombudsman SA. Alternatively, you can apply to the South Australian Civil and Administrative Tribunal (SACAT). If you wish to seek a review, you must do so within 30 calendar days of receiving this internal review determination.

For more information about seeking a review, please contact the Ombudsman SA on telephone (08) 8226 8699 or SACAT on 1800 723 767.

Yours sincerely

Dear Ms Hutchesson

RESOURCING FOR MEMBERS OF THE HOUSE OF ASSEMBLY

I am writing in relation to a number of recently approved changes to House of Assembly Members electorate office resourcing.

Global Allowance

The Governor, in Executive Council, has approved an increase to the base Global Allowance allocations for 2022-23 of \$4,956.

As a result, your 2022-23 base allocation is now \$67,894.26. This will be reflected on your next monthly statement.

Carry-over funds from 2021-22 have been included as part of the Treasury and Finance carry-over submission to Cabinet. You will be notified as soon as this has been determined.

In addition, amendments have been made to the *Global Allowance Guidance Notes*, specifically the exclusion list on pages 1 and 2, to explicitly refer to flowers, hire of promotional/entertainment services as well as to provide further clarification in relation to donations, and also a definition of gifts and promotional material.

A copy of the updated *Global Allowance Guidance Notes* is attached. Please ensure that both you and your staff are aware of the new excluded items.

Furniture and Equipment Allocation

An additional allocation of \$5,000 each parliamentary term has also been introduced for the purchase of electorate office furniture and equipment items. This funding will alleviate the burden on the Global Allowance to cover this type of expenditure.

These funds will be managed by Electorate Services, however you will be able to purchase items at your discretion. Invoices for items purchased from this new allocation will still need to be stamped and signed by either you or your nominated delegate, and should also clearly state that this expenditure is to be debited against the furniture and equipment allocation, not the Global Allowance.

Electorate Services, Facilities Management team can provide advice and assistance when determining the suitability of specific items.

Electorate Services will also provide regular updates on your balance of funds.

Staff Resources

Cabinet has approved allowing Members the choice of continuing to engage a trainee under the current arrangements, or as an alternative to the traineeship program, you will now have the option to employ an Electorate Office Assistant equivalent to 0.6 FTE on a temporary contract for 1 year, in accordance with the *Assistants to the Members of the South Australian Parliament Enterprise Agreement 2021* (or any subsequent agreement).

Offices opting to employ an Electorate Office Assistant 0.6 FTE in place of a trainee may only do so once the existing trainee contract has come to an end.

Please contact Lisa Samarzia, Business Operations Manager on 8429 0757 if you wish to discuss options to meet your staffing requirements.

If you have any queries in relation to the administration of your Global Allowance allocation or the new furniture funding allocation, please contact Paul Tatarelli, Manager Electorate Services on 8226 2995 or Tony Smith, Policy and Entitlements Manager on 8226 3605.

Subject: Super SA - Authority to Release Information

OFFICIAL

Hi Daniel

I refer to our conversation yesterday regarding a constituent's TPD claim.

Super SA has confirmed to me that a release authority is not required for the purposes of a ministerial (i.e. where an MP writes to the Treasurer about a Super SA member, the Treasurer can provide information to the MP in the absence of an authority).

In any other situation where someone seeks to act on behalf of a Super SA member, an authority is required. The form is available at <https://www.supersa.sa.gov.au/globalassets/shared-content/pdfs/forms/all-schemes-forms/authority-to-release-information-to-a-third-party-asfm11.pdf>.

I hope that makes sense – please let me know if you have any further questions.

Kind regards

OFFICIAL

Hi Peter

I refer to the below email and attached authority, which may relate to my recent emails with Daniel Clutterbuck (also attached).

I note that the authority names the Treasurer as the authorised third party – this is not a requirement, as the Treasurer is the minister responsible for Super SA. Where a person (who is not an MP writing to the Treasurer) seeks to act on behalf of a Super SA member, an authority in favour of that person is required. I apologise if my email to Daniel has caused any confusion.

Are you able to clarify whether the Member for Waite will be writing to the Treasurer on behalf of **Clause 6(1)**? If that is the case, no authority will be required.

Kind regards
