5.1.1.6 The annual leave to which an employee is entitled in respect of any one year of service must be taken in one period unless the employer is satisfied that good reason exists for allowing the leave to be taken otherwise eg. Christmas close down, urgent personal reasons.

5.1.1.7 The monthly rate at which annual leave accrues is:

(i) 15.83 hours (190 hours/12 months) for an employee entitled to 5 weeks annual leave.

(ii) This monthly rate of accrual applies in calculating pro-rata leave on termination or for the purposes of annual close down.

5.1.1.8 An employee is entitled to a period of four or five weeks of annual leave, as appropriate, and a maximum of twelve programmed days off. In accordance with that principle the period of annual leave must include one programmed day off and the period of annual leave is not to be extended by that one day.

5.1.1.9 Payment must not be made or accepted in lieu of taking annual leave, except in the case of termination of employment.

5.1.1.10 Time of Taking Annual Leave

5.1.1.10.1 Annual leave is to be taken at a time or times agreed between the employer and the employee. Notwithstanding the provisions of this clause and without the intention of disrupting continuous period(s) of annual leave, by agreement between the employer and employee, a full-time employee may take annual leave in single day periods not exceeding 10 days in any calendar year for the purposes of personal leave to care for a family member as set out in 5.5.

5.1.1.10.2 If an employer and an employee fail to agree on the time (or times) for taking annual leave, or part of it, the employer may require the employee to take annual leave by giving the employee notice of the requirement at least 2 weeks before the period of annual leave is to begin.

5.1.1.10.3 If an employer determines the time for taking annual leave, the leave must be granted and must begin within 12 months after the entitlement to the leave accrues.

5.1.1.10.4 To assist employees in balancing their work and family responsibilities, an employee may elect with the consent of the employer, to accrue and carry forward any amount of annual leave for a maximum of two years from the date of the entitlement.

5.1.1.11 Upon termination of employment, if the period of service is not exactly divisible into complete years, a full-time employee accrues 12 2/3 hours annual leave for each completed month of service in the incomplete year. A part-time employee accrues such annual leave on a pro rata basis.

5.1.5 Deleted

5.1.6 Termination

In all cases of termination of employment, whether by resignation, age, invalidity or dismissal, an employee is to be paid the monetary equivalent of pro-rata leave calculated at the rate of 1/12th of the annual period of leave for which the employee would be eligible for each completed month of service in respect of which annual leave has not already been granted, together with annual leave loading calculated in accordance with subclause 5.1.4.

5.1.7 Pro-Rata Leave for Other than Termination

The payments to be taken into consideration in determining the amount so payable are the same as those set out in subclauses 5.1.3 and 5.1.4.

5.1.9 Sickness During Annual Leave

An employee who is sick while on annual leave and who produces a medical certificate or other satisfactory evidence covering the period of illness, is entitled to convert such period to paid sick leave if the employee has sufficient sick leave credit to do so. In these circumstances the employee will be re-credited with the annual leave during which the illness occurred and for which sick leave is now being taken.

5.1.10 Shut down

5.1.10.1 Where an employer requires the business operation, or part of it, to be temporarily shut down the employer may require the employee to take annual leave by giving the employee notice of the requirement at least 2 months before the period of annual leave is to begin.

5.1.10.2 No more than two shut downs can occur in one calendar year.

However, in any arrangement of ordinary working hours where the ordinary working hours are to exceed 8 on any shift, the arrangement of hours will be subject to the agreement of the employer and the majority of employees concerned;

6.2.2 Shift workers, for all time worked in excess of or outside of ordinary working hours prescribed by this Award will be paid at the rate of time and a half for the first 3 hours and double time after that from Monday to Saturday and double time for all such time worked on Sunday;

6.2.3 The provisions of 6.2.2 will not apply when the time is worked:

6.2.3.1 by arrangement between the employees themselves; or

6.2.3.2 for the purpose of effecting the customary rotation of shifts; or

6.2.3.3 due to the fact that the relief employee does not come on duty at the proper time except where notice has been given, not less than equal to the period of the shift, to the employer by a relief employee that he/she will be absent from work and the employee who he/she should relieve is not relieved and is required to continue work on his/her rostered day off. In this case, the unrelieved employee will be paid double time.

6.2.4 Casual and part-time employees are not entitled to payment at overtime rates unless the daily hours exceed the ordinary hours on which full-time employees are engaged or where the hours worked exceed the hours prescribed in subclause 6.1.3.

6.2.5 All authorised time worked by casual and part-time employees in excess of ordinary hours on any day will be paid at the rate of time and half for the first 3 hours and double time after that. The Commission advises that examples of how these provisions are to be applied are contained in the Department of the Premier and Cabinet - Conditions of Employment Manual for Weekly Paid Employees.

6.2.6 The hourly rate, when computing overtime is determined by dividing the appropriate weekly rate by 38, even in cases when an employee works more than 38 ordinary hours in a week.

6.2.7 For the purposes of this Clause, ordinary hours mean the hours of work fixed in an establishment in accordance with the hours clause of this Award.

6.2.8 Rest Period After Overtime

6.2.8.1 When overtime work is necessary it must, wherever reasonably practicable, be so arranged that employees have at least eight consecutive hours off duty between the work of successive days.

6.2.8.2 An employee (other than a casual employee) who works so much overtime between the termination of the employee's ordinary work on one day and the commencement of the employee's ordinary work on the next day that the employee has not had at least eight consecutive hours off duty between those times must, subject to this sub-clause, be released after completion of such overtime until the employee has had eight consecutive hours off duty without loss of pay for ordinary working time occurring during such absence.

6.2.8.3 If, on the instructions of the employer, such an employee resumes or continues work without having had eight consecutive hours off duty, the employee will be paid at double rates until released from duty for such period and the employee will then be entitled to be absent until the employee has had eight consecutive hours off duty without loss of pay for ordinary working time occurring during such absence.

6.2.9 Call Back

In this situation, except where unforeseen circumstances arise, the employee is not required to work the full three hours if the work the employee was recalled to perform is completed within a shorter period.

6.2.9.2 The provisions of 6.2.9.1 do not apply in cases where it is customary for an employee to return to the employer's premises to perform specific work outside the employee's ordinary working hours, or where the overtime is continuous (subject to a reasonable meal break) with the completion or commencement of ordinary working time.

6.2.9.3 Where an employee is called back for duty, the employee will be paid at the overtime rate from the time the employee leaves home until the employee returns home.

6.2.9.4 Overtime worked as a result of a call back must not be regarded as overtime for the purpose of subclause 6.2.8, Rest Period After Overtime, when the actual time worked is less than three hours on such recall or on each of such recalls.

6.2.10 Payment will be made for overtime worked as prescribed in subclause 6.2.2. However, where an employee requests equivalent time off in lieu of the overtime worked during the same pay period in which the overtime is worked, the time off in lieu may be granted at a time agreed between the employer and employee concerned. Time off in lieu is calculated on an hour for hour basis.

6.2.11 Meal Allowance

6.2.11.1 Any employee who is required to work overtime at the end of the employee's shift for more than 2 hours without being notified on the previous day of the requirement to work, will be provided with a meal free of cost at the Administrative Unit or Agency. Alternatively, where a meal cannot be provided, the employee will be paid an amount as provided by the relevant Commissioner's Determination. However, provision of a free meal or the payment of meal money will not be applied to:

- (i) employees living in the same locality who can reasonably return home for meals or
- (ii) employees working overtime on Call Back as prescribed in subclause 6.2.9.

6.2.11.2 This subclause also applies to an employee who is required to be on duty to meet an emergency (not being during ordinary rostered hours) if the employee is required to continue work for more than 2 hours after 12 noon or more than 2 hours after 4.15 p.m. on any day.

6.2.12 In calculating overtime each day stands alone.

6.2.13.1 Despite anything contained elsewhere in this Award, where summer time is prescribed as being in advance of the standard time, the length of any shift:

- (i) commencing before the time prescribed for the commencement of the summer time period and,
- (ii) commencing on or before the time prescribed for the termination of the summer time period,

will be the number of hours represented by the difference between the time recorded by the clock at the beginning of the shift and the time recorded at the end of it, the time of the clock in each case to be set to the time fixed in accordance with the daylight saving legislation.

6.2.13.2 In this sub-clause the expressions "standard time" and "summer time" have the same meaning as prescribed by the daylight saving legislation.

6.3.3.3 If, on the instructions of the employer, an employee resumes or continues work without having had eight consecutive hours off duty, the employee will be paid at double rates until released from duty for such period and the employee will then be entitled to be absent until the employee has had eight consecutive hours off duty. As in 6.3.3.2, in this circumstance the employee concerned will not lose pay for ordinary working time occurring during the eight hours off duty.

6.3.4 Call Back

6.3.4.1 An employee recalled to work overtime after leaving the employer's business premises (whether notified before or after leaving the premises) will be paid for a minimum of three hours' work at the appropriate rate for each time the employee is recalled. In this situation, except where unforeseen circumstances arise, the employee is not required to work the full three hours if the work the employee was recalled to perform is completed within a shorter period.

6.3.4.2 The provisions of 6.3.4.1 do not apply in cases where it is customary for an employee to return to the employer's premises to perform specific work outside the employee's ordinary working hours, or where the overtime is continuous (subject to a reasonable meal break) with the completion or commencement of ordinary working time.

6.3.4.3 Where an employee is called back for duty, the employee will be paid at the overtime rate from the time the employee leaves home until the employee returns home.

Clause 8.8 Anti-Discrimination

OPDATE 27:02:2006 on and from

8.8.1 It is the intention of the parties to this Award to achieve the principal object of section 3(1)(m) of the *Fair Work Act 1994* by helping to prevent and eliminate unlawful discrimination in the workplace on the basis of race, colour, sex, sexual preference, age, physical or mental disability, marital status, family responsibilities, pregnancy, religion, political opinion, national extraction or social origin.

8.8.2 Accordingly, in fulfilling their obligations under the disputes avoidance and settling clause, the parties must make every endeavour to ensure that neither the award provisions nor their operation are directly or indirectly discriminatory in their effects.

8.8.3 Nothing in this clause is to be taken to affect:

- (i) any different treatment (or treatment having different effects) which is specifically exempted under the State or Commonwealth anti-discrimination legislation;
- (ii) the payment of different wages for employees who have not reached a particular age until considered and determined further by the Industrial Relations Commission of South Australia;
- (iii) an employee, employer or registered organisation, pursuing matters of discrimination in the relevant State or Federal jurisdiction, including by application to the Human Rights and Equal Opportunity Commission.

8.8.4 Nothing in this Clause is to be taken to prevent:

- (i) a matter referred to in 8.8.1 from being a reason for terminating employment if the reason is based on the inherent requirements of the particular position.
- (ii) a matter referred to in 8.8.1 from being a reason for terminating a person's employment as a member of the staff of an institution that is conducted in accordance with the doctrines, tenets, beliefs or teachings of a particular religion or creed, if the employer terminates the employment in good faith in order to avoid injury to the religious susceptibilities of adherents of the religion or creed.

Clause 8.9 Enterprise Flexibility

OPDATE 20:03:2006 1st pp on or after

8.9.1 In this Clause a **relevant Association** means an organisation of employees that:

- (a) has an interest in this Award; and
- (b) has one or more members employed by the employer to perform work in the relevant enterprise or workplace.

*[Note : The failure by an employer to give each **relevant Association** an opportunity to be involved in the consultative process leading to the making of an agreement may result in the **Commission** adjourning or refusing the application to vary the Award].*

8.9.2 At each enterprise or workplace, consultative mechanisms and procedures will be established comprising representatives of the employer and employees. Each **relevant Association** will be entitled to be represented.

8.9.3 The particular consultative mechanisms and procedures will be appropriate to the size, structure and needs of the enterprise or workplace.

8.9.4 The purpose of the consultative mechanisms and procedures is to facilitate the efficient operation of the enterprise or workplace according to its particular needs.

8.9.5 Where agreement is reached at an enterprise or workplace through such consultative mechanisms and procedures, and where giving effect to such agreement requires this Award, as it applies at the enterprise or workplace, to be varied, an application to vary will be made to the **Commission**. The agreement will be made available in writing, to all employees at the enterprise or workplace and to the **relevant Associations** with an interest in this Award.

8.9.6 When this Award is varied to give effect to an agreement made pursuant to this Clause the variation will become a schedule to this Award and the variation will take precedence over any provision of this Award to the extent of any expressly identified inconsistency.

8.9.7 The agreement must meet the following requirements to enable the **Commission** to vary this Award to give effect to it :

- 8.9.7.1 That the purpose of the agreement is to make the enterprise or workplace operate more efficiently according to its particular needs.
- 8.9.7.2 That the majority of employees covered by the agreement genuinely agree to it.
- 8.9.7.3 That the Award variation necessitated by the agreement is consistent with the requirements of Section 79 of the **Act**.

S3.8.8 **Wage rates for Certificate IV Traineeships**

S3.8.8.1 *Trainees* undertaking an AQF IV *Traineeship* shall receive the relevant weekly wage rate for AQF III *Trainees* at Wage Levels A, B or C as applicable with the addition of 3.8 per cent of that wage rate.

S3.8.10 Where a *Traineeship* is converted from an AQF II to an AQF III *Traineeship*, or from an AQF III to an AQF IV *Traineeship*, the Trainee shall move to the next higher rate provided in this Schedule, if a higher rate is provided for that new AQF level.

S3.8.11 Section A sets out the Wage Level of a *Traineeship*.

S3.8.12 For the purposes of this provision, *out of school* shall refer only to periods out of school beyond Year 10, and shall be deemed to:

S3.8.12.1 Include any period of schooling beyond Year 10, which was not part of nor contributed to a completed year of schooling;

S3.8.12.2 Include any period during which a *Trainee* repeats in whole or part of a year of schooling beyond Year 10;

S3.8.12.3 Not include any period during a calendar year in which a year of schooling is completed; and

S3.8.12.4 Have effect on an anniversary date being January 1 in each year.

S3.8.13 Despite any other clause in this Schedule, *Trainees* may not be employed under this Schedule under the *Traineeship* Schemes and in the areas of employment listed in Section B.

CLAUSE S3.9 DISPUTE SETTLING PROCEDURES

CLAUSE S3.10 DISPUTE SETTLEMENT OVER TRAINEESHIP SCHEMES

- S3.10.1 A party may initiate this procedure when that party wishes to argue that this Schedule should not provide for employment under a particular *Traineeship* Scheme despite the allocation of the scheme to a Wage Level by Section A.
- S3.10.2 The party shall:
- S3.10.2.1 Notify the relevant parties of an intention to dispute the particular *Traineeship Scheme*, identifying the scheme.
- S3.10.2.2 Request the parties with an interest in the scheme to meet with them at a mutually agreed location.
- S3.10.2.3 If agreement cannot be reached the matter may be referred to the Commission for conciliation.
- S3.10.2.4 If agreement is not reached during conciliation then an application may be made to include the *Traineeship* scheme in Section B.

CLAUSE S3.11 PART-TIME TRAINEESHIPS

- S3.11.1 This clause shall apply to *Trainees* who undertake a *Traineeship* on a part-time basis by working less than full-time hours and by undertaking the *Approved Training* at the same or lesser training time than a full-time *Trainee*.
- S3.11.1.1 A part-time *Trainee* (other than a school-based *Trainee*) will be engaged to work for no less than an average of 22.5 hours per week, however in special circumstances, including where the employee is an existing employee who already works less than 22.5 hours per week, and with the agreement between the employer and employee, a part-time *Trainee* can be engaged to work for no less than a minimum average of 15 hours per week.
- S3.11.1.2 A part-time school-based Trainee may be engaged to work less hours than the minimum hours prescribed by this Schedule and the Award provided that the Trainee remains enrolled in compulsory education.
- S3.11.2 **Wages**
- S3.11.2.1 The tables set out below are the hourly rates of pay where the training is either fully off-the-job or where 20% of time is spent in *Approved Training*. These rates are derived from a 38 hour week.

Table 3: Wage rates for part-time Certificate IV Traineeships (\$ per hour):

Trainees undertaking a part-time AQF IV *traineeship* shall receive the relevant hourly rate for AQF III trainees at Wage Levels A, B or C as applicable under Table 1 or 2 with the addition of 3.8 per cent of that wage rate.

An *adult trainee* (as defined) who is undertaking a part-time *traineeship* for an AQF IV qualification shall receive the following hourly rate as applicable based on the allocation of AQF III qualifications:

<i>Wage Level</i>	<i>First year of traineeship</i>	<i>Second year of traineeship</i>
	\$	\$
Wage Level A	23.64	24.53
Wage Level B	22.73	23.59
Wage Level C	20.72	21.52

S3.11.3 The hours for which payment shall be made are determined as follows:

S3.11.3.1 Where the *Approved Training* for a *Traineeship* (including a school based *Traineeship*) is provided off-the-job by a registered training organisation, for example at school or at TAFE, these rates shall apply only to the total hours worked by the part-time *Trainee* on-the-job.

S3.11.3.2 Where the *Approved Training* is undertaken solely on-the-job and the average proportion of time to be spent in *Approved Training* is 20% (i.e. the same as for the equivalent full-time *Traineeship*), then the total hours on-the-job shall be multiplied by the applicable hourly rate, and then 20 per cent shall be deducted.

S3.11.3.3 Where the *Approved Training* the training is partly on-the-job and partly off-the-job and the average proportion of time to be spent in *Approved Training* is 20% (ie the same as for the equivalent full-time *Traineeship*), then the total of all hours spent in work and training shall be multiplied by the applicable hourly rate, and then 20 per cent shall be deducted.

Note: As noted in clause S3.8, 20 per cent is the average proportion of time spent in *Approved Training*, which has been taken into account in setting the wage rates for most full-time *Traineeships*.

S3.11.3.4 Where a person was employed part-time by an employer under this Award immediately prior to becoming a part-time *adult trainee* with that employer, such person shall not suffer a reduction in the hourly rate of pay by virtue of becoming a *trainee*.

S3.11.3.5 Where the normal full-time weekly hours are not 38 the appropriate hourly rate may be obtained by multiplying the rate in the table by 38 and then dividing by the normal full-time hours.

S3.11.4 General Formula

S3.11.4.1 For *Traineeships* not covered by S3.11.2.1, the following formula for calculation of wage rates shall apply:

The wage rate shall be pro-rata the full-time rates based on variation in the amount of training and/or the amount of work over the period of the *Traineeship*, which may also be varied on the basis of the following formula:

$$\text{Full-time wage rate} \times \frac{\text{Trainee hours - average weekly training time}}{30.4^*}$$

* Note: 30.4 in the above formula represents 38 ordinary full-time hours less the average training time for full-time *Trainees* (i.e. 20%). A pro-rata adjustment will need to be made in the case where the Award specifies different ordinary full-time hours: for example where the ordinary weekly hours are 40, 30.4 will be replaced by 32.

- (a) Full-time wage rate means the appropriate rate as set out in S3.8.4, S3.8.5, S3.8.6 and S3.8.7 of this Schedule.
- (b) *Trainee* hours shall be the hours worked per week including the time spent in *Approved Training*.
- (c) Average weekly training time is based upon the length of the *Traineeship* specified in the *Traineeship Agreement* or *Training Agreement* as follows:

$$\frac{7.6 \times 12}{\text{Length of the } \textit{Traineeship} \text{ in months}}$$

Note 1: 7.6 in the above formula represents the average weekly training time for a full-time *Trainee* whose ordinary hours are 38 per week. A pro-rata adjustment will need to be made in the case where the Award specifies different ordinary time hours for example, where the ordinary weekly hours are 40, 7.6 will be replaced by 8.

Note 2: The parties note that the *Training Agreement* will require a *Trainee* to be employed for sufficient hours to complete all requirements of the *Traineeship*, including the on the job work experience and demonstration of competencies. The parties also note that this would result in the equivalent of a full day's on the job work per week.

S3.11.5 Example of the calculation for the wage rate for a part-time traineeship

A school student commences a *Traineeship* in year 11. The ordinary hours of work in the *Award* are 38. The *Training Agreement* specifies two years (24 months) as the length of the *Traineeship*.

Average weekly training time is therefore $7.6 \times 12/24 = 3.8$ hours.

Trainee hours totals 15 hours; these are made up of 11 hours work which is worked over two days of the week plus 1-1/2 hours on the job training plus 2-1/2 hours off the job *Approved Training* at school and at TAFE.

So the wage rate in year 11 is:

$$\$340 \times \frac{15 - 3.8}{30.4} = \$125.26 \text{ (plus any applicable penalty rates under the Award)}$$

The wage rate varies when the student completes year 11 and passes the anniversary date of 1 January the following year to begin year 12 and/or if *trainee* hours changes.

S3.11.6 Employment conditions for all part-time trainees

- S3.11.6.1 A part-time *Trainee* shall receive, on a pro-rata basis, all employment conditions applicable to a full-time *Trainee*. All the provisions of the Award shall apply to part-time *Trainees* except as specified in this Schedule.
- S3.11.6.2 However, a *Trainee* undertaking a school based *Traineeship* may, with the agreement of the *Trainee*, be paid an additional loading 20 per cent on all ordinary hours in lieu of annual leave, sick leave, personal leave and public holidays. Notwithstanding this, where a *Trainee* is called upon to work on a public holiday the provisions of the Award shall apply.
- S3.11.6.3 A part-time *Trainee* may, by agreement, transfer from a part-time to a full-time *Traineeship* position should one become available.
- S3.11.6.4 The minimum engagement periods specified in the Award shall also be applicable to part-time *Trainees*.

Assessment instrument means the form provided for under the *Supported Wage System* that records the assessment of the productive capacity of the person to be employed under the *Supported Wage System*.

Disability Support Pension means the Commonwealth pension scheme to provide income security for persons with a disability as provided under the *Social Security Act 1991*, as amended from time to time, or any successor to that scheme.

Supported Wage System means the Commonwealth Government System to promote employment for people who cannot work at full award wages because of a disability, as documented in "Supported Wage System: Guidelines and Assessment Process".

CLAUSE S4.2 ELIGIBILITY CRITERIA

S4.2.1 Employees covered by this Schedule will be those who are unable to perform the range of duties to the competence level required within the class of work for which the employee is engaged under this Award, because of the effects of a disability on their productive capacity, and who meet the impairment criteria for receipt of a *Disability Support Pension*.

S4.2.2 This Schedule does not apply to any existing employee who has a claim against the employer which is subject to the provisions of workers compensation legislation or any provision of this Award relating to the rehabilitation of employees who are injured in the course of their current employment.

S4.2.3 This clause does not apply to employers in respect of their facility, programme, undertaking, service or the like which receives funding under the *Disability Services Act 1986* and fulfils the dual role of service provider and sheltered employer to people with disabilities who are in receipt of or are eligible for a *Disability Support Pension* in accordance with the requirements of the *Disabilities Service Act 1986* and the Standards contained therein, as amended from time to time.

CLAUSE S4.3 SUPPORTED WAGE RATES

S4.3.1 Employees to whom this Schedule applies will be paid the applicable percentage of the minimum rate of pay prescribed by this Award for the class of work which the person is performing according to the following schedule:

<i>Assessed capacity (clause S4.4)</i>	<i>% of prescribed Award rates</i>
10%	10%
20%	20%
30%	30%
40%	40%
50%	50%
60%	60%
70%	70%
80%	80%
90%	90%

S4.3.2 Provided that the minimum amount payable will not be less than \$89.50 per week.

S4.3.3 Where a person's assessed capacity is 10% they will receive a high degree of assistance and support.

CLAUSE S4.4 ASSESSMENT OF CAPACITY

For the purpose of establishing the percentage of the Award rate to be paid to an employee under this Award, the productive capacity of the employee will be assessed in accordance with the *Supported Wage System* and documented in an *assessment instrument* by either:

- (a) the employer and a Union party to the Award, in consultation with the employee or, if desired by any of these;
- (b) the employer and an *accredited assessor* acceptable to the employee and the employee's advisers and to the employer.

S4.5.2 All *assessment instruments* will be agreed and signed by the parties to the assessment, provided that where a Union which is party to the Award, is not a party to the assessment, it will be referred by the Registrar to the Union by certified mail and will take effect unless an objection is notified to the Registrar within 10 working days.

CLAUSE S4.6 REVIEW OF ASSESSMENT

The assessment of the applicable percentage should be subject to annual review, or earlier on the basis of a reasonable request for such a review. The process of review will be in accordance with the procedures for assessing capacity under the *Supported Wage System*.

CLAUSE S4.7 OTHER TERMS AND CONDITIONS OF EMPLOYMENT

Where an assessment has been made, the applicable percentage will apply to the wage rate only. Employees covered by the provisions of this Schedule will be entitled to the same terms and conditions of employment as all other workers covered by this Award paid on a pro rata basis.

CLAUSE S4.8 WORKPLACE ADJUSTMENT

An employer wishing to employ a person under the provisions of this Schedule will take reasonable steps to make changes in the workplace to enhance the employee's capacity to do the job. Changes may involve re-design of job duties, working time arrangements and work organisation, in consultation with other workers in the area.

CLAUSE S4.9 TRIAL PERIOD

S4.9.1 In order for an adequate assessment of the employee's capacity to be made, an employer may employ a person under the provisions of this Schedule for a trial period not exceeding 12 weeks, except that in some cases additional work adjustment time (not exceeding 4 weeks) may be needed.

S4.9.2 During the trial period the assessment of capacity will be undertaken and the proposed wage rate for a continuing employment relationship will be determined.

S4.9.3 The minimum amount payable to the employee during the trial period will not be less than \$89.50 per week.

S4.9.4 Work trials should include induction or training, as appropriate, to the job being trialed.

S4.9.5 Where the employer and employee wish to establish a continuing employment relationship following the completion of the trial period, a further contract of employment must be entered into based on the outcome of assessment under clause S4.4.

PART 1 – INTRODUCTION

1. This Schedule provides benefits to eligible employees with eligible injuries that would have been applicable under the *WR&C Act* if they cease to be entitled to similar benefits under the *RTW Act*.
2. A return to work within the meaning of the *RTW Act* is the main objective in managing all work injuries. The primary return to work objective will be employment in the employee's agency. New or other return to work options can only be explored when return to work options within the employee's agency have been fully explored (and the onus of proof to establish this lies with the employer) or if the employee requests the exploration of new or other employment options in writing (which request may be withdrawn). The relevant unions will reasonably support and cooperate in the pursuit of this objective.
3. This Schedule operates in addition to and not instead of any entitlements applicable under any other statute or law, except that:
 - 3.1 any payment which would otherwise be payable under This Schedule will not be payable if precisely the same payment has already been made under a Compensation Act: and
 - 3.2 if an eligible employee receives a payment for economic loss pursuant to Part 4 Division 6 of the *RTW Act*, clauses 60 through 63 apply.
4. Providing the criteria in clauses 35 through 36 are met, if an entitlement has been claimed by an eligible employee under a Compensation Act and that claim has been rejected, any equivalent or similar entitlement may be claimed, and if rejected, disputed under this Schedule notwithstanding that proceedings relating to the rejected Compensation Act claim are extant. In making such a claim or in any dispute about such a claim, the matter should proceed on the basis that the relevant claim under a Compensation Act shall remain rejected.
5. If the employer is considering making a decision about an employee's entitlements pursuant to This Schedule which may be adverse to the relevant employee, the employer must provide procedural fairness to the relevant employee before any final decision is made.
6. Claims for entitlements under this Schedule must be made in writing.

28. “*WR&C Act*” means the *Workers Rehabilitation and Compensation Act 1986 (SA)*.

PART 3 – ELIGIBLE INJURIES

Only eligible employees can have eligible injuries

29. An injury is not an eligible injury unless the injured employee is an eligible employee.

Temporal connection to employment

30. An eligible injury arises out of or in the course of the eligible employee:

- 30.1 attending work in accordance with their employment; or
- 30.2 performing the work for which they are employed.

Causal connection to criminal conduct or dangerous situations

31. To be an eligible injury the injury *must* have:

- 31.1 resulted from conduct directed at the employee that is or appears to be a criminal offence; and/or
- 31.2 occurred as a direct and immediate result of conduct that is or appears to be a criminal offence;
- 31.3 occurred in other circumstances where the employee is placed in a dangerous situation (however psychiatric injuries are only eligible injuries pursuant to 31.3 if they are caused as a consequence of a specific incident or incidents).

Incapacity required for eligibility

32. An eligible injury temporarily or permanently incapacitates the injured employee for work (including because of a need to attend on a medical practitioner for treatment or examination).

When an injury ceases to be an eligible injury

33. An eligible injury ceases to be an eligible injury when:

- 33.1 the injured employee makes a return to work within the meaning of the RTW Act which is sustainable and is earning a salary or wage that is the same or more than their Notional Weekly Earnings; and
- 33.2 there is no reasonable basis to incur medical and/or related expenses (whether to treat symptoms or reduce the likelihood of symptoms recurring or for any other reason deemed appropriate by a medical practitioner).

When an injury resumes being an eligible injury

34. If an eligible injury ceased to be an eligible injury pursuant to clause 33 but the criteria in clause 33 are no longer met, the injury resumes being an eligible injury.

Compensation Act status for an injury to be an eligible injury

35. To be an eligible injury a claim for compensation relating to the injury must have been accepted under a Compensation Act.
36. If, in relation to a particular injury:
- 36.1 no compensation has been paid under the RTW Act and no Recovery/Return to Work Plan has been established under the RTW Act;
- 36.2 that injury is only an eligible injury to the extent that the eligible employee would be entitled to receive benefits or entitlements under the *WR & C Act* (disregarding the operation of the *RTW Act*).

Consequential injuries taken to be part of original eligible injuries

37. Any injury arising out of or in the course of an eligible employee's attendance at a place to:
- 37.1 receive a medical service in relation to an eligible injury; and/or
- 37.2 obtain a medical report or certificate (or to be examined for that purpose) in relation to an eligible injury; and/or
- 37.3 receive services or assistance or perform activities intended to assist the eligible employee's recovery or return to work or restoration to the community in relation to an eligible injury; and/or
- 37.4 apply for, or receive, compensation in relation to an eligible injury;
- will be taken to constitute part of the original eligible injury, whether or not the eligible employee had additional reasons for attending at that place (for example, if an injury arose from performing activities at the eligible employee's home recommended by a doctor to assist in recovering from an eligible injury).

Injuries and incapacity attributable to surgery etc.

38. Any injury or incapacity attributable to surgery or other treatment or service or advice performed or provided with due care and skill by a person professing to have particular skills and undertaken or provided in relation to an eligible injury will be taken to constitute part of the original eligible injury.

PART 4 – MEDICAL EXPENSE ENTITLEMENTS AND LUMP SUMS

Medical and related expenses entitlement

39. The employer must pay compensation for medical and/or related expenses incurred in consequence of an eligible injury, whenever any such expenses are incurred. To avoid doubt, an eligible employee's entitlement to medical and/or related expenses does not end only because income compensation payments to the eligible employee cease. However, if a redemption or commutation in respect of medical and/or related expense entitlements arising out of a particular injury or injuries has been paid pursuant to s42 of the *WR&C Act* or s54 of the *RTW Act*, no medical and/or related expenses are payable under this Schedule in relation to that injury or injuries.

Medical expense lump sums

40. Medical expense lump sums (in addition to such compensation as is payable for medical and related expenses incurred before receiving a medical expense lump sum payment) may be paid to eligible employees.

Medical and related expenses – effect of medical expense lump sum

41. Once an eligible employee has received a medical expense lump sum payment the employer is not obliged to pay compensation for medical and for related expenses pursuant to this schedule if:
- 41.1 medical and/or related expenses are incurred in consequence of a particular eligible injury after the day when the eligible employee receives a medical expense lump sum payment; and

- 41.2 a medical expense lump sum payment received by the eligible employee is specifically in respect of that particular eligible injury.

Medical and related expenses – pre approval

42. An eligible employee is entitled to a decision by the employer on a claim for compensation for a medical and/or related expense that the eligible employee wishes to incur but is yet to incur. For the avoidance of doubt, a decision to reject such a claim (in whole or in part) is a decision for the purposes of this Schedule.

PART 5 – INCOME COMPENSATION ENTITLEMENTS & LUMP SUMS

43. The employer must pay weekly payments of income compensation in respect of incapacity for work (whether partial or total) arising out of an eligible injury in accordance with the following principles. However, if a redemption or commutation in respect of weekly payments arising out of a particular injury or injuries has been paid pursuant to s42 of the *WR&C Act* or s53 of the *RTW Act*, no income compensation is payable under this Schedule in relation to that injury or injuries.

Work capacity review

44. An eligible employee's entitlement to income compensation in respect of a particular eligible injury does not arise without an entitling assessment pursuant to clause 49 (work capacity review) and ceases if there is a disentitling assessment pursuant to clause 51.

Income compensation – quantum

45. Weekly payments must be paid at the rate of 80% of the eligible employee's Notional Weekly Earnings or, if the eligible employee has actual earnings, 80% of the difference between actual earnings and the eligible employee's Notional Weekly Earnings.

Income compensation – duration

46. An eligible employee's entitlement to income compensation ceases when the eligible employee reaches retiring age.
47. If an eligible employee breaches the obligation of mutuality, the eligible employee's entitlement to income compensation may be discontinued for such time as the eligible employee remains in breach of the obligation of mutuality. An eligible employee resigning (other than on medical advice to resign) after claiming income compensation under this Schedule breaches mutuality. Lawful termination of employment by the employer on the ground of serious and wilful misconduct and/or criminal conduct breaches mutuality.
48. An eligible employee's entitlement to income compensation may be discontinued if there is a disentitling assessment on a work capacity review.

Work Capacity Review

49. An eligible employee's entitlement to receive income compensation does not commence unless the eligible employee is assessed in relation to the cumulative effect of one or more eligible injuries (an **entitling assessment**) by the employer as:
- 49.1 having no current work capacity; and
- 49.2 likely to continue indefinitely to have no current work capacity; or
- 49.3 being in employment but because of the injury is likely to continue indefinitely to be incapable of undertaking further or additional employment or work that would increase the eligible employee's current weekly earnings.
50. The employer may make an entitling assessment on any basis.
51. A **disentitling assessment** is an assessment that the eligible employee does not meet the criteria in clause 49. A disentitling assessment can only be made if:

- 51.1 the employer has sought and obtained an opinion from an IMA (whose expertise is appropriate to the particular injury) about whether the eligible employee meets the criteria in clause 49; and
- 51.2 if the eligible employee has earnings in employment or other work, the IMA considers that notwithstanding the eligible injury or injuries the eligible employee is, and is likely to continue indefinitely to be, capable of undertaking further or additional employment or work which would increase the eligible employee's earnings, and specifies what that additional employment or work is; and
- 51.3 the IMA provides a written opinion that the eligible employee does not meet the criteria in clause 49; and
- 51.4 if the eligible employee has earnings in employment or other work, the IMA specifies on reasonable grounds the additional employment or work the IMA considers that the eligible employee could do to increase their earnings.

Work capacity review & ceasing income compensation

- 52. An eligible employee receiving income compensation under this schedule shall continue to receive income compensation under this schedule until at least 13 weeks after the eligible employee receives written notification from the employer that the eligible employee is no longer entitled to receive income compensation under this Schedule because of a disentitling assessment.

Work capacity reviews & commencing or recommencing income compensation

- 53. If an eligible employee who is not receiving income compensation under this Schedule or a Compensation Act claims income compensation the employer is not obliged to pay income compensation under this Schedule until an entitling assessment is made. In those circumstances, if an entitling assessment is made the eligible employee is entitled to arrears and interest for all periods when they are entitled to income compensation.

First work capacity review: timing

- 54. A work capacity review may be performed before or after an eligible employee has exhausted their entitlement to weekly payments under a Compensation Act.
- 55. An eligible employee who, immediately before the end of the second designated period defined in s39 of the RTW Act, was in receipt of weekly payments under the RTW Act is entitled to receive income compensation pursuant to this Schedule at the same rate unless and until a work capacity review is conducted.
- 56. If clause 55 applies and the outcome of the work capacity review is:
 - 56.1 an **entitling assessment**, the employer must conduct reviews in accordance with Part 9 of this Schedule and adjust the eligible employee's income compensation accordingly;
 - 56.2 a **disentitling assessment**, Clause 52 and Part 8 of this Schedule apply.

Reassessment

- 57. An eligible employee's work capacity may be reassessed consistent with clause 49 through 51 at any reasonable time and must be reassessed as often as is reasonably necessary.

Income compensation – effect of income compensation lump sum

- 58. An income compensation lump sum (in addition to such compensation as is payable for income compensation before receiving an income compensation lump sum payment) may be paid to eligible employees.
- 59. Once an eligible employee has received an income compensation lump sum payment the employer is not obliged to pay weekly payments pursuant to this Schedule if:
 - 59.1 an entitlement to income compensation in consequence of a particular eligible injury arises after the day when the eligible employee receives an income compensation lump sum payment; and
 - 59.2 an income compensation lump sum payment received by the eligible employee is specifically in respect of that particular eligible injury.

Income compensation – effect of lump sum payment for economic loss

60. If this Award applies to an employee who claims compensation pursuant to Part 4 Division 6 of the *RTW Act*, before paying any such compensation the employer must:
- 60.1 give the employee written notice of:
 - 60.1.1 the dollar amount of compensation the employer says the employee is entitled to; and
 - 60.1.2 clause 60 through 63 of this Schedule; and
 - 60.2 request written confirmation from the employee that, having regard to clauses 60 through 63 of this Schedule, they wish to be paid compensation pursuant to Part 4, Division 6 of the *RTW Act* and allow a reasonable time for the employee to respond in writing.
61. If an eligible employee has received a payment pursuant to Part 4, Division 6 of the *RTW Act* (**the payment**) 3 months or more after this Schedule is inserted into the Award the eligible employee is not entitled to income compensation pursuant to this Schedule in relation to the same injury or injuries that the payment related to.
62. If an eligible employee has received a payment pursuant to Part 4, Division 6 of the *RTW Act* (**the payment**) before 3 months after this Schedule is inserted into the Award, the eligible employee is not entitled to income compensation pursuant to this Schedule in relation to the same injury or injuries that the payment related to unless they agree in writing to repay the payment and comply with that agreement, with repayments to be made by periodic payments in accordance with clause 78.1 unless otherwise agreed in writing.
63. If an eligible employee has received income compensation pursuant to this Schedule and then receives a payment pursuant to Part 4, Division 6 of the *RTW Act* (**the payment**):
- 63.1 the eligible employee ceases to be entitled to income compensation pursuant to this Schedule in relation to the same injury or injuries that the payment related to; and
 - 63.2 the employer is entitled to deduct from the payment any income compensation previously paid to the eligible employee pursuant to this Schedule in relation to the same injury or injuries that the payment related to.

PART 6 – RECOVERY/RETURN TO WORK PLANS

Continuing operation of plans established under the RTW Act

64. If a recovery/return to work plan established under s25 of the *RTW Act* has not reached its completion date or action when entitlements under this Schedule arise, it continues to operate by virtue of this Schedule irrespective of whether the *RTW Act* authorises its continued operation until the date or action the plan is expressed to conclude on, unless the eligible employee and the employer agree that the plan should cease operation or be varied or if SAET determines that the plan should cease operation or be varied.

When plans are established – entitlement

65. If it is reasonable to do so, the employer may establish a written recovery/return to work plan in relation to an eligible employee who has an eligible injury. If an eligible employee's entitlements under this Schedule are not exhausted, the employer must establish a written recovery/return to work plan if the eligible employee requests such a plan in writing.

Content of plans

66. A recovery/return to work plan may provide for any assistance, service, payments or return to work arrangement that may reasonably assist the full restoration of the eligible employee to the workforce and/or the community, including by alleviating the impact of the disability so far as is possible. A recovery/return to work plan must assist the full restoration of the eligible employee to the workforce and/or the community, including by alleviating the impact of the disability, so far as is reasonable practicable, and must be in accordance with Attachment 1 to this Schedule.
67. Recovery/return to work plans under this Schedule may not impose unreasonable obligations on eligible employees.

68. An eligible employee whose entitlements under this Schedule are not exhausted is entitled to a reasonable recovery/return to work plan if the employer establishes a recovery/return to work plan or if the employee requests a recovery/return to work plan.
69. If:
- 69.1 an eligible employee who has been incapacitated for work in consequence of an eligible injury is able to return to work, whether on a full time or part time basis and whether or not to his or her previous employment;
 - 69.2 the employer must provide suitable employment for the eligible employee (the employment being employment for which the eligible employee is fit and subject to that qualification employment which is, so far as reasonably practicable the same as, or equivalent to, the employment in which the eligible employee was working immediately before the incapacity) as part of a recovery/return to work plan;
 - 69.3 if the eligible employee requests it, but not if it is not reasonably practicable to provide such employment (and the onus of establishing that lies on the employer); or
 - 69.4 the eligible employee left the employment of the employer before the commencement of the incapacity for work; or
 - 69.5 the eligible employee terminated the employment after the commencement of the incapacity for work; or
 - 69.6 new or other employment options and any ancillary matters have been agreed and remain agreed between the eligible employee and employer and are contained in a current recovery/return to work plan; or
 - 69.7 the eligible employee has otherwise sustainably returned to work earning at or above the eligible employee's Notional Weekly Earnings.
70. Suitable employment to be provided by the employer includes employment in respect of which the number of hours each day or week that the employee performs work or the range of duties the employee performs is suitably increased in stages.
71. If all eligible employee performs alternative or modified duties pursuant to a recovery/return to work plan, the employer must pay an appropriate wage or salary in respect of those duties.

PART 7 – MUTUAL OBLIGATIONS

72. When an eligible employee is entitled to receive benefits pursuant to this Schedule the employer must reasonably:
- 72.1 manage the eligible employee's injury; and
 - 72.2 provide services and assistance to further the eligible employee's recovery and return to work and/or the community and to alleviate the impact of the disability so far as is possible; and
 - 72.3 at the employee's request, review any service/s or entitlements provided pursuant to this Schedule and/or investigate any matter, if it appears to the employee that the employer may not be complying with this Schedule and provide the employee with written advice about the outcome of any such review or investigation and any actions the employer will take arising out of any such review or investigation.
73. An employee receiving income compensation under this Schedule must not breach the obligation of mutuality defined by s48(3) and (4) of the *RTW Act*. If an employee breaches mutuality, mutuality may be restored in accordance with the principles application under the *RTW Act*. A breach of mutuality does not alter the employee's entitlement to compensation for medical and/or related expenses.

PART 8 – REDUCTION, DISCONTINUANCE & SUSPENSION OF INCOME COMPENSATION

74. If an eligible employee's entitlement to income compensation under this Schedule ceases or will cease or reduces or will reduce (including because the employee has ceased to be an eligible employee), payments of income compensation may only be discontinued or reduced in accordance with this Part.

75. Unless clause 52 applies (work capacity reviews – 13 weeks’ notice), no cessation or reduction of payments of income compensation may occur until the employee has received at least 28 days written notice of any such cessation or reduction.
76. If a person disputes a decision to reduce, discontinue or suspend their payments of income compensation (by either an application to SAET or the invocation of a dispute resolution procedure in this Award or an applicable enterprise agreement) within one month of the person receiving notice of a decision by the employer to reduce, discontinue or suspend income compensation under this Schedule:
- 76.1 the operation of the decision is suspended and –
- 76.1.1 income compensation must continue or, if the decision has already taken effect, the income compensation must be reinstated (to its previous level), until the matter first comes before a member of SAET; and
- 76.1.2 the employer must make a payment to the person of any income compensation that has not been made between the date that the decision took effect and the date the income compensation is reinstated;
- 76.1.3 unless the person elects in writing not to receive payments under this clause; and
- 76.2 SAET may as it thinks fit and from time to time, and after having regard to the nature and circumstances of the case:
- 76.2.1 further suspend the operation of the decision (from time to time) until the dispute is resolved to avoid the person suffering financial hardship and extra weight must be given to the desirability of requiring the continuation of payments if SAET considers it is reasonably open to the person to dispute the relevant decision;
- 76.2.2 vary or revoke a decision under this clause, including to provide that weekly payments will only continue, or continue at a reduced rate, if the person complies with conditions determined by SAET;
- 76.2.3 make an order to pay an amount relating to all or any weekly payments that have not been made to the employee during the dispute.
77. If a dispute is ultimately resolved in favour of the employer and the person has been paid more than the person’s lawful entitlements to income compensation pursuant to clause 76, the employer may, at the employer’s discretion (but subject to this Schedule):
- 77.1 recover the excess (and any interest on the excess) from the employee as a debt; or
- 77.2 set off the amount recoverable under clause 77.1 against liabilities of the employer to pay the employee under this Schedule or a Compensation Act.
78. If it is reasonable in the circumstances, the employer may set off or recover an amount under clause 77.1 as a single lump sum, or by periodic payments, or by a combination of a lump sum and periodic payments, or in some other manner agreed between the employer and the person in writing, however:
- 78.1 the employer cannot require a person to make periodic payments exceeding 10% of the person’s net income (“net income” means income after the appropriate deduction is made for any income tax and child support payable by the person and any deductions made because of a garnishee order or similar order or requirement or any other deduction imposed by statute) without the person’s written agreement;
- 78.2 the employer may, in its absolute discretion, waive (absolutely or subject to such conditions as the employer thinks fit) the whole or any part of an amount it is entitled to recover, and shall do so if:
- 78.2.1 the employer is satisfied that the person is experiencing severe financial hardship, or it appears appropriate to do so because of any other special circumstances specific to the person; or
- 78.2.2 the employer considers it appropriate considering the likely costs associated with recovering the amount and the amount itself;

- 78.3 unless the person has provided materially false or misleading information to the employer that caused the employer to make the relevant payment/s, the employer must grant these remissions if the total amount payable is repaid within the following periods:
- 78.3.1 a 15% remission if the total amount is repaid within 1 month of the person first receiving written notification of the amount they are liable to pay;
- 78.3.2 a 10% remission if the total amount is repaid within 6 months of the person first receiving written notification of the amount they are liable to pay.
79. If a person has made a payment (including by an amount being set off) to the employer under clause 78 the employer must, within two months of the end of the financial year in which the payment is made, furnish the person with a statement that sets out:
- 79.1 the total amount paid by the person during that financial year; and
- 79.2 the amount left to be paid (if any); and
- 79.3 must furnish a final statement within 2 months after the debt is extinguished.

Interaction between paid annual and/or long service leave and income compensation – suspension

80. If an eligible employee takes paid annual or long service leave, the employer may suspend the income compensation that would otherwise be payable to the eligible employee when the eligible employee is on that leave if the employer complies with the notice requirements of this clause.
81. If the employer proposes to suspend the income compensation that would otherwise be payable during such a period of leave, the employer must provide the eligible employee with written notice of that proposal (including details of when income compensation payments under this Schedule will resume) within 14 days of the eligible employee requesting the relevant paid leave.
82. The eligible employee may withdraw the request for paid leave at any time within 14 days of a written notice under clause 81.
83. The employer cannot compel an eligible employee to take leave when they are entitled to income compensation.

PART 9 – ADJUSTMENTS TO INCOME COMPENSATION

Economic adjustments to the level of income compensation

84. If an eligible employee is incapacitated for work or appears likely to be incapacitated for work for more than one year, the employer must, during each year of incapacity, review the income compensation for the purpose of making an adjustment to the amount of the income compensation under this Part.

Quantum of economic adjustments – industrial instruments

85. Subject to clause 87, the Notional Weekly Earnings of an eligible employee who is entitled to income compensation shall be adjusted to reflect any increase in the rates of remuneration applicable to the classification held by the employee (or where relevant, any successor classification) immediately prior to the particular injury occurring and prescribed by an award or enterprise agreement.

Notice requirements before economic adjustment decided

86. At least 28 days before deciding the quantum of an economic adjustment pursuant to this clause, the employer must give the eligible employee written notice of the following:
- 86.1 The increase in the rate of remuneration the employer says applies pursuant to clause 85 and how the proposed economic adjustment has been calculated by applying that increase to the eligible employee's pre-existing Notional Weekly Earnings.

- 86.2 The increase in the rate of remuneration the employer says would be applicable if an economic adjustment was made in accordance with the Wage Price Index for total hourly rates of pay excluding bonuses for South Australia, and how an economic adjustment would be calculated by applying that increase to the eligible employee's pre-existing Notional Weekly Earnings, and the eligible employee's right to elect in writing to receive an economic adjustment on that basis rather than in accordance with clause 85.
- 86.3 The eligible employee's right to make written representations to the employer on the review within a reasonable time specified in the notice.

Election for economic adjustment based on Wage Price Index not Industrial Instrument

87. If an eligible employee elects in writing to have their Notional Weekly Earnings adjusted in accordance with the Wage Price Index for total hourly rates of pay excluding bonuses for South Australia, the employer must adjust the eligible employee's Notional Weekly Earnings accordingly.

Timing of economic increase based on Industrial Instrument

88. An economic increase reflecting changes to remuneration in an award or enterprise agreement operates from the date of the employer's decision on the review, back-dated to the date of the relevant changes in rates of remuneration.

Timing of economic increase based on Wage Price Index

89. An economic increase in accordance with clause 87 operates from the end of the year of incapacity in which the review is made.

Adjustments due to change from original arrangements

90. The employer may, on its own initiative and must at the written request of an eligible employee, review the calculation of the Average Weekly Earnings of the eligible employee (and therefore the Notional Weekly Earnings of the eligible employee) for the purpose of making an adjustment due to:
- 90.1 a change in a component of the eligible employee's remuneration used to determine Average Weekly Earnings (including a component constituted by a non-cash benefit); or
- 90.2 a change in the equipment or facilities provided or made available to the eligible employee (if relevant to Average Weekly Earnings).
91. Before the employer begins a review under clause 90, the employer must give the eligible employee written notice informing the eligible employee of the proposed review and inviting the eligible employee to make written representations to the employer on the subject of the review within a reasonable time specified in the notice.
92. If the employer finds on a review under clause 90 that there has been a change that warrants an adjustment contemplated by clause 90, the employer shall make the relevant adjustment.
93. An adjustment under clause 90:
- 93.1 will take effect as an adjustment to the eligible employee's Notional Weekly Earnings (and may therefore increase or reduce income compensation under this Schedule); and
- 93.2 operates from an appropriate date determined by the employer (which may be an antecedent date but not a date that is before the date of the change on which the adjustment is based and not so as to result in a retrospective reduction in income compensation).
94. For the purpose of a review under clause 90, the employer may, by notice in writing to the eligible employee to whom the review relates, require the eligible employee to furnish any information that the employer reasonably determines to be relevant to the review.
95. If an eligible employee fails to comply with a requirement under clause 94 within the time allowed in the notice, the employer may suspend income compensation payments to the eligible employee.

96. On completing a review under clause 90, the employer must give the eligible employee written notice setting out the employer's decision on the review and the eligible employee's right to dispute the employer's decision.
97. Clauses 90 through 103 do not limit the rights of the employer under any other clause of this Schedule.

General Review of weekly payments

98. The employer may, on its own initiative, and must if requested in writing by an eligible employee, review the amount of the weekly payments made to an eligible employee. The employer is not required to comply with a request for such a review if the request is made within 3 months of the completion of an earlier review.
99. If the employer begins a clause 98 review under this clause, the employer must give the eligible employee written notice informing the eligible employee of the proposed review and inviting the eligible employee to make a written representation to the employer on the subject of the review within a reasonable time specified in the notice.
100. If the employer finds on a clause 98 review that the eligible employee's entitlement to income compensation has ceased, or has increased or decreased, the employer must adjust and may discontinue the income compensation to reflect that finding.
101. For the purpose of a clause 98 review, the employer may, by notice in writing to an eligible employee who is receiving weekly payments, require the eligible employee to submit to an examination by an IMA nominated by the employer or require the eligible employee to furnish evidence of the eligible employee's earnings (other than earnings paid by the employer).
102. If an eligible employee fails to comply with a requirement under clause 101 within the time allowed in the notice, the employer may suspend income compensation payments to the eligible employee.
103. On completing a clause 98 review, the employer must give the eligible employee written notice setting out the employer's decision on the review, and the eligible employee's rights to dispute the employer's decision, in accordance with clause 104.

PART 10 – DECISIONS ON CLAIMS

104. The employer must provide its written decision on a claim for entitlements under this Schedule (including a decision to cease or reduce or suspend income compensation and decisions to review income compensation and decisions on recovery/return to work plans) to the person who made the claim (including by their representative). The written decision must include the information required by s31(8)(b) of the *RTW Act* and regulation 20 of the *RTW Regulations*.
105. The employer must decide claims for entitlements under this Schedule (including claims for the provision of a recovery/return to work plan) as quickly as reasonable practicable and where the claim is for income compensation must, wherever practicable, endeavour to decide the claim within 10 business days from receipt of the claim.
106. A person who believes there has been undue delay in deciding a claim or other matter affecting the person under this Schedule may apply to SAET for expedited determination of the matter.
107. An application for an expedited determination of a matter cannot be made until at least 10 business days after the matter was placed before the relevant decision maker.
108. On an application for expedited determination of a matter, SAET may (in addition to such other powers as SAET may have) give directions SAET considers necessary to expedite the determination of the matter or decide the matter itself.
109. If SAET decides a claim on an application for expedited decision, the decision is to be treated as a decision of the employer.

PART 11 – DISPUTE RESOLUTION

110. For the avoidance of doubt and without limiting such other legal rights as the employer and a person claiming an entitlement under this Schedule may have:

- 110.1 disputes over the employer's decisions on entitlements under this Schedule may be resolved pursuant to chapter two part one of the Fair Work Act 1994 and/or chapter two part two of the Fair Work Act 1994 (including concurrently) and any successor legislation to those provisions; and
- 110.2 proceedings and dispute resolution processes taking issue with the employer's decision/s on entitlements under this Schedule may be commenced by either the person claiming the entitlement or his or her union.
111. Proceedings in the SAET about the employer's decision/s on entitlements under this Schedule should, so far as is reasonable practicable, be heard together with such other proceedings between the same parties in the SAET as may exist.

PART 12 – COSTS OF PROCEEDINGS

General Entitlement to Costs

112. A party (other than the employer) is entitled, subject to this Schedule, to an award against the employer for the party's reasonable costs of proceedings for resolution of the matter before SAET.
113. Costs may also be awarded to cover the cost of representation by a legal practitioner or an employee or employee of the employee's union and disbursements incurred by a party to proceedings before SAET up to a reasonable amount reasonable incurred, subject to the qualification that costs for medical services reimbursed as disbursements in the proceedings are limited to the scale of charges applicable at the relevant time that apply for the purposes of s33 of the *RTW Act* or, if a service is not covered by a scale of charges under that section, to an amount determined in accordance with the principles under that section.
114. If SAET is of the opinion that a party:
- 114.1 has acted unreasonably:
- 114.1.1 in bringing proceedings before SAET; or
- 114.1.2 in view of an assessment or recommendation of a SAET member under s43(13) of the *South Australian Employment Tribunal Act 2014*; or
- 114.1.3 without limiting clause 114.1.2, in failing to discontinue or settle any proceedings before the conclusion of the hearing of a matter; or
- 114.1.4 in relation to any other aspect of the conduct of proceedings before SAET; or
- 114.2 has acted frivolously or vexatiously in bringing or in relation to the conduct of proceedings before SAET;
- SAET may:
- 114.3 decline to make an award of costs in favour of the party and may further (if it thinks fit) make an award of costs against the party; or
- 114.4 reduce the amount of the award of costs to which the party would otherwise have been entitled.
115. Subject to clause 116, an award of costs to cover professional advice or assistance may, if SAET considers appropriate, be made in favour of the person who provided the professional advice or assistance.
116. An award of costs to cover the cost of representation by an employee or employee's union is payable to the union.
117. An award of legal costs cannot exceed 85% of the amount that would be allowable under the relevant Supreme Court scale if the proceedings were in the Supreme Court.

Costs liability of representatives

118. If a professional representative acting for a party to proceedings before SAET under this Schedule (whether personally or through an employee or agent) has caused costs to be incurred improperly or without reasonable cause or to be wasted by undue delay or negligence or by any other misconduct or default, SAET may order:

- 118.1 that all or any of the costs between the professional representative and his or her client be disallowed or that the professional representative repay to his or her client the whole or part of any money paid on account of costs;
- 118.2 that the professional representative pay to his or her client all or any of the costs which his or her client has been ordered to pay to any party;
- 118.3 that the professional representative pay all or any of the costs of any party other than his or her client.
119. Without limiting clause 118, a professional representative is in default for the purposes of that subclause if any proceedings cannot conveniently be heard or proceed, or fail or are adjourned without any useful progress being made, because the professional representative failed to:
- 119.1 attend in person or by a proper representative; or
- 119.2 file any document which ought to have been filed; or
- 119.3 lodge or deliver any document for the use of SAET which ought to have been lodged or delivered; or
- 119.4 be prepared with any proper evidence or account; or
- 119.5 otherwise proceed.
120. SAET may not make an order against a professional representative under clause 118 unless SAET has informed the professional representative of the nature of the order proposed and allowed the professional representative a reasonable opportunity to make representations, and call evidence, in relation to the matter.
121. SAET may order that notice of any proceedings or order against a professional representative under clause 118 be given to the client in such manner as SAET directs.
122. SAET's power to make an order under clause 118 is exercisable by a presidential member of SAET or another member of SAET who is authorised by a presidential member of SAET to make the particular order.

PART 13 – MISCELLANEOUS

Interest on Delayed Income Compensation

123. If:
- 123.1 Income compensation, or part of income compensation, is not paid as and when require to be paid under this Schedule; or
- 123.2 the payment of income compensation is delayed pending resolution of a dispute over the employer's decision/s on an entitlement to income compensation under this Schedule; then
- 123.3 interest will be paid on any arrears, however, no interest is payable under this clause if the delay is attributable to some fault on the part of the eligible employee.

Interim payments

124. A person may, pending the final determination of a claim, apply to the employer for interim payments of income compensation under this Schedule.
125. The employer must offer to make interim payments if it fails to determine the relevant claim within 10 business days after tile date of receipt of the claim unless the failure to determine the claim is:
- 125.1 due to the unreasonable failure or refusal of the person making the claim to attend a medical examination arranged by the employer; or
- 125.2 because the employer has arranged an examination for the purposes of a work capacity review and that examination is yet to occur.

126. If on the final determination of a claim (if the employer rejects the claim, the claim is finally determined when any relevant proceedings have been completely finalised) an amount the employee was not entitled to has been paid under this clause, the employer may recover that amount as a debt in a Court of competent jurisdiction.

Income Compensation and Leave Entitlements

127. Section 50 of the *RTW Act* is incorporated into this Schedule. To the extent that s50 of the *RTW Act* is inconsistent with clauses 80 through 83, those clauses prevail.
128. The references to “weekly payments” in s50 of the *RTW Act* as incorporated into this Schedule are to be read as references to income compensation pursuant to this Schedule.

Injuries that develop gradually

129. The date when an injury that develops gradually or is a disease will be taken to have occurred will be determined in accordance with *RTW Act* s188.

Costs associated with lump sum payment agreements

130. If the employer offers an eligible employee a lump sum payment agreement, and the eligible employee incurs costs in having one or more of annexures A, B or C to such an agreement completed by a professional adviser, a financial adviser or a recognised health practitioner, the employer must reimburse the eligible employee for any such costs subject to any limits applicable at the time the relevant advice is obtained pursuant to ss53 and 54 of the *RTW Act*.

Review & anomalies

131. The employer and the relevant unions parties to the Award and the employer shall:
- 131.1 jointly review the operation of this Schedule with that review to commence 2 years after the order incorporating this Schedule in this Award is made and to conclude within 2 months of commencement; and
- 131.2 use their best endeavours to resolve perceived anomalies or perceived unfair situations arising out of the operation of this Schedule or the alteration to the rights of employees arising out of the change from the *WR&C Act* to the *RTW Act*.

NOTIFICATION TO ELIGIBLE EMPLOYEE

Under Section 33A of the *Health and Other Services (Compensation) Act 1995* (Medicare Act), you are advised that the employer intends to make an advance payment under Section 338 of the Medicare Act for compensation payable under a judgment or settlement as follows:

1. The employer intends to make an advance payment to the Commonwealth.
2. The amount of the advance payment will be 10% of the total redemption [insert dollar figure].
3. The Commonwealth can retain some or all of the advance payment for eligible benefits paid by the Commonwealth in respect of services and care rendered or provided in the course of treatment for, or as a result of, your compensable injury or injuries. If the amount specified in the notice under Section 33C of the Act is less than the amount of advance payment, the difference is payable by the Commonwealth to you.
4. You will be required to make an additional payment to the Commonwealth in respect of the eligible benefits if the amount specified by the written notice given to you under Section 33C of the Act is greater than the amount of the advance payment.

I acknowledge receipt of the above advice.
