Stephen
Dear Mr Mullighan

APPLICATION UNDER THE *FREEDOM OF INFORMATION ACT 1991*

I refer to your application made under the *Freedom of Information Act 1991* (FOI Act), dated 13 May 2019.

Your application seeks access to:

"All minutes, briefings and correspondence titled 'Office of the Public Sector – Closure of Government Officers during the 2018/19 Christmas and New Year Period' as described on the Objective document management system, between 12 July 2018 and 13 May 2019."

The legislative prescribed timeframe to determine this application has expired and is now deemed to have refused you access to all documents relevant to your application. I refer to my letter dated 26 May 2019 where I sought additional time to make my determination.

The purpose of this letter is to advise you of my determination. An extensive search was conducted within this office. A total of 1 document was identified as answering the terms of your application.

I grant you access in part to 1 document; a copy of which is enclosed.

Document Released in Part

Document 1 is a briefing sent from the Office of the Commissioner for Public Sector Employment in relation to the closure of public sector agency workplaces during the 2018/2019 Christmas and New Year period.

I have determined to release the briefing in part, removing the Commissioner's mobile number, which if released, would be an unreasonable disclosure of personal affairs. I have determined to exempt this information pursuant to clause 6(1).

Attachment 1 is publicly available and therefore has not been provided to you.

The proposed schedule of proposed public sector agency closures (Attachment 2) was publicly available at the relevant time on the sa.gov.au website, however I have determined to release in full this document to you.

Exemptions

Clause 6 – Documents affecting personal affairs

A document is an exempt document if it contains matter the disclosure of which would involve the unreasonable disclosure of information concerning the personal affairs of any person

Please note, in compliance with Premier and Cabinet Circular PC045 - *Disclosure Logs for Non-Personal Information Released through Freedom of Information* (PC045), the Department of Treasury and Finance is now required to publish a log of all non-personal information released under the *Freedom of Information Act 1991*.

In accordance with this Circular, any non-personal information determined for release as part of this application, may be published on the DTF website. A copy of PC045 can be found at the following address: <https://dpc.sa.gov.au/resources-and-publications/premier-and-cabinet-circulars>. Please visit the website for further information.

As I am determining this application as Principal Officer, Section 29(6) of the Act does not provide for an internal review. If you are dissatisfied with my determination you are entitled to exercise your rights of external review with the Ombudsman.

Alternatively, you can apply to the South Australian Civil and Administrative Tribunal. If you wish to seek a review, Section 39(3) of the Act states you must do so within 30 calendar days of receiving the determination.

If you require any further information, please contact Vicky Cathro on 8226 9769.

Yours sincerely

SUBJECT: CLOSURE OF GOVERNMENT OFFICES DURING THE 2018/2019 CHRISTMAS AND NEW YEAR PERIOD

PURPOSE

- As the Minister responsible for the administration of the PS Act, your approval is required for proposed agency closures over the 2018/2019 Christmas and New Year period.
- To comply with the requirements of the PS Act, on 14 September 2018, I wrote to all public sector agencies regarding proposed workplaces closures for the 2018/2019 Christmas and New Year period. Within my correspondence dated 14 September 2018, I requested that agencies undertake the following:
 - Consider the needs of both the public and the agency during the 2018/2019 Christmas and New Year period, and seek endorsement from their relevant Minister regarding their agency's proposed closure arrangements; and
 - Following receipt of endorsement from their relevant Minister, advise me by close of business 12 October 2018 of the services within their agency which are proposed to close, and the respective closure dates for each.
- Agencies were informed of their obligations in regards to employee leave arrangements, and notified that if no response was received by COB 12 October 2018, it will be assumed that the workplaces of the agency will remain open through the 2018/2019 Christmas and New Year period (excluding proclaimed public holidays). Agencies were provided with a reminder of my expectations and their required response on 8 October 2018.
